

VOL. LXXXVI NO. 13 15 CENTS PER COPY

ANTIOCH TOWNSHIP LIBRARY
757 N. MAIN ST.
ANTIOCH, ILL. 60002

One Liner

If you can't stand solitude, maybe you bore others too.

Taking part in the FIRST NATIONAL BANK Ground Breaking ceremonies are (l to r) Mrs. Vera (Rentner) Horton, Mrs. Lorraine A. Schroeder, Mrs. Hilma (Rosing) Lightsey, Mr. LaVerne Woods, and Mr. S. Boyer Nelson.

1st National Bank Breaks Ground

The ground breaking ceremonies for the new FIRST NATIONAL BANK building on Lake Street proved to be a refreshing change from the normal, rather stilted activities generally associated with this type of an affair.

The accent was on youth—and youth was there in large measure. When the signal was given literally dozens of children attacked two huge sandpiles in which "treasure" had been hidden. One bystander noted that, "with just a bit more encouragement I think these kids could complete the entire excavation today!"

Formal activities had preceded the children's more exuberant ground breaking. Pastor P. O. Laurin, of St. Stephen's Lutheran Church, asked the Invocation and Mr. LaVerne M. Woods, President of the FIRST NATIONAL BANK, introduced three of the original employees of the bank when it occupied its first building in 1926: S. Boyer Nelson, original cashier for the bank, and Hilma (Rosing) Lightsey and Vera (Rentner) Horton. Mr. Nelson, Mrs. Lightsey and Mrs. Horton had the honor of officially taking the first shovelful of ground at the new site.

The First National Bank hosted a champagne breakfast at Paty's Lounge to honor the official ground breaking participants and other guests invited to the ceremonies.

The new bank will be a two story, modern brick and glass building measuring 76 by 106 feet with 8,000 sq.

ft. of area on each floor. The lower level will have the safety deposit vault, and bookkeeping and credit departments. The upper level will be occupied by the loan department, checking and savings and general banking service offices. An elevator will serve the building for the convenience of Patrons.

Another new concept in banking convenience will be the installation of four sit-down tellers for the comfort of older people, and for longer transactions such as issuance of travelers checks, large deposits, etc. This will allow the stand up tellers to function as "express" windows.

The new bank will also feature 4 drive-up windows with the ability to expand to 8 at a later time.

In speaking of the new facility, Mr. Woods referred to statements made regarding the advanced design of the first bank building built in 1929. Where the 1926 bank was a landmark among the commercial buildings of its day, Mr. Woods stated that the 1972 building would also occupy the same position today.

President Woods closed his remarks with a quote from THE ANTIOCH NEWS dated October 28, 1926, which he felt is as true of the new building as it had been of the original FIRST NATIONAL BANK: "...few, if any, towns the size of Antioch can boast of its equal."

"It is merely another patent evidence of 'Progressive Antioch.'"

The Pirates Dig.

School

Board

Position

Rejected

The Antioch High School Education Association met Monday afternoon, September 13, to discuss the boards present position regarding salary negotiations.

At the meeting the association rejected the boards position by a vote of 57 to 0.

This means that the impasse is still in effect. The next step is for the board's salary committee and the teacher welfare committee to return to the table and to resume negotiations.

MAYOR — PLANNING COMMISSION

Expansion of the Antioch Planning Commission from seven to ten members was approved at a recent meeting of the Village Board.

When the plan for expansion was originally proposed it was suggested that representatives from Antioch high school and grade school be made a part of the committee. As his first act following official action by the board, Mayor Toft appointed William Brook, pres. of the board of education of Antioch Community High School and LaVerne Woods, member of the board of Antioch Grade School, to the Planning Commission.

The Mayor of Antioch and a trustee appointed by the mayor will be members of the Planning Commission for the duration of their terms of office. The other members of the commission will serve two year terms. With the exception of the mayor all members of the commission are appointive positions subject to board approval.

Under the terms of the ordinance which established the new Planning Commission, the members will receive no pay for their services. However, if approved by the village trustees, the secretary of the Planning Commission may be paid.

Wednesday, September 15
Antioch Township Republican Club meeting at 8:00 p.m.
at the Antioch Country Club,

Thursday, September 16
Lakeside Rebekah Card Party with refreshments, 12:30

AGS 1/2 Day Institute

Monday, September 27
Antioch Garden Club outing 11:00 a.m.

Tuesday September 28
Antioch Township Library Board meeting at 3 p.m.

Village Board ACTIONS

The Antioch Village Board approved a levy ordinance of \$216,850; the general corporate fund receives \$114,050 of this amount while \$102,800 is reserved for special purposes.

A possible solution to the parking problem for people who work in the downtown area of Antioch was proposed by Robert Wilton, committee chairman. The committee is tentatively recommending a \$20 - \$25 per year parking fee for persons who wish to park all day in the village parking lots. There was general agreement on the plan and Mayor Toft instructed the committee to work up the final proposal for the next board meeting.

Trustee Vern Barnstable suggested that the inspection of firms holding food licenses in Antioch be raised from the current two inspections per year to four. The suggestion was approved.

Permission was granted to James Horton for the operation of a camper sales and service business at 574 Drom Ct. The area is already zoned for industrial usage.

Two bids were received for the repair of village sidewalks.

Laursen and Blackman submitted a bid of \$1.07 per foot and Benes Construction Co. bid \$1.00 per foot. The Benes bid was accepted.

The board approved and Mayor Toft signed two proclamations. The Month of September was proclaimed Children's Lung Disease Month and October 3 was proclaimed as Punt, Pass and Kick Day.

At the request of Police Committee Chairman George Bartlett, Marge Nelson was removed from membership on the police commission. Bob Wilton was appointed by Mayor Toft to take her place.

Richard Burnette, a former member of the Antioch Village Board, was appointed to finish out the one year unexpired term of office on the Antioch Village Zoning Board which was created by the resignation of Art Wegner.

Approval was granted for the widening of Lake Street from a point opposite Spafford St. to St. Peter's Street. The \$25,000 cost will come from the Motor Fuel Tax Funds.

Approval was also granted for the Kiwanis Peanut Day to be held September 24.

TAXES for AGS

WHAT WILL THE 12.5cts BUILDING MAINTENANCE TAX INCREASE MEAN TO ME, A TAXPAYER?

The Board of Education of District No. 34 (Antioch Grade Schools) is asking a 12.5cts Building Maintenance Tax increase in a Referendum September 18, 1971.

What does this increase mean to you, the taxpayers?

As many of you may have noticed, your overall Educational tax rate on your 1970 taxes (received this year) was 28.7cts LOWER than the previous year. This was due to our Bond Retirement schedule. By adding 12.5cts to your taxes, your school assessment will still be lower than in former years.

Considering a home with an ASSESSED value of \$15,000 (real value \$30,000 or more), the requested 12.5cts increase for Building Maintenance Fund would amount to a tax increase of \$18.75. Even with this 12.5cts increase, there will still be a tax decrease of \$24.30 on such a home.

Any questions that you, as a taxpayer, would like to ask, please feel free to contact the Administration or the members of the Board of Education. The Administration can be reached at 395-0712, or 800 Highview Drive, Antioch, Illinois.

Savings Bonds Purchased

Lake County residents purchased a total of \$734,116.00 in Series E and H United States Savings Bonds in July, according to Richard F. Kennedy, Waukegan, Illinois and Richard D. Newland, Waukegan, county chairmen of the savings bonds committee.

Sales in the State of Illinois were \$30,040,920, according to Clarence S. Sochowski, market director of the Treasury savings bonds division. This is a 28.2 percent increase over last July's total.

Illinois sales represented 6.6 percent of the national total, which was \$458 million and 67.9 percent of the state's 1971 quota of \$313,600,000 has been reached in the first seven months.

As of July 31, the dollar amount outstanding reached a new, all time peak of \$53.8 billion.

The state office of the U.S. Savings bonds division in Illinois has a new "School Kit" for area educators, which will be sent on request. The kit, prepared by the Council for Family Financial Education, is designed to enable young people to better understand the role of savings in personal and family financial planning.

NOTICE

A Special meeting of the Antioch School District No. 34 Board of Education will be held Tuesday, September 14 at the Antioch Upper Grade School at 7:30 p.m. to open and consider bids for the paving, grading, seeding and sodding at the Antioch Upper Grade School.

Our Congressman

Over the past several years, the growing cost of campaign financing has been viewed with much alarm by candidates for public office as well as by the public at large. Unfortunately, there are few topics in American politics about which less is known than the cost of election campaigns. In 1970, the House Committee on Standards of Official Conduct took testimony from 37 witnesses and concluded that reforms were hindered by "the death, if not virtual absence, of reliable information" in the area of campaign financing.

As long ago as 1922, a newly-elected United States Senator from the State of Michigan was forced to resign from the Senate when it was disclosed that he had spent a "scandalous" \$195,000 for his election. Congress reacted with indignation and passed the 1925 Corrupt Practices Act limiting campaign expenditures to \$25,000 for a senator. That law is still on the books, but to date, nobody has ever been prosecuted under it. This fact led former President Lyndon B. Johnson to remark: "It is more loophole than law." In fact, many U.S. Senate campaigns cost millions of dollars.

The most expensive item in today's political campaigns is the outlay for broadcast time on radio and television. The total cost of political broadcasts in general elections at all levels of government reportedly increased from \$9.8 million in 1956 to \$40.4 million in 1968. In an effort to get at this single item of expense, the last Congress, in October, 1970, passed a bill to limit campaign broadcast expenditures. However, President Nixon in vetoing this measure explained convincingly that it was not comprehensive enough in that it omitted newspaper

advertising, billboard and other campaign expenses. He called, instead, for an overall election reform bill early in 1971.

Recently, the U.S. Senate passed a bill which would limit campaign spending to 10 cents per potential voter, evenly divided between broadcast and print media. The bill (S.382) would also limit individual political contributions to \$5,000 for any single candidate and would repeal the "equal time" provisions of the present law which require radio and TV stations to offer free equal time to minor party and independent candidates for office.

In the House of Representatives, Illinois Republican John Anderson has proposed a package of four bills which would limit campaign spending to 20 cents per registered voter for President, 25 cents for the Senate, and 30 cents for U. S. House candidates in any election. As another part of this package, Congressman Anderson has proposed that an income tax credit be allowed for political contributions which do not exceed \$50 per year. The Anderson program would place limits on the amount of money which political committees and individuals may contribute to candidates and would require TV stations to charge only their minimum rates for political broadcasts. This series of bills has received significant bipartisan support. Hearings and Committee action on some of the proposals are scheduled for this month.

Both major parties included a strong pledge for election reform in their respective platforms in 1968. Thus, it seems logical to expect bipartisan cooperation for passage of a comprehensive program. The most intriguing question at this time is whether the American voter - with his thirst for knowledge regarding candidates - will be satisfied with an austere "dime-a-voter" campaign. Nevertheless, it seems appropriate to limit campaign expenditures in order to protect our system of representative government from being controlled by men of great wealth.

NOTICE

The Antioch Community High School District No. 117 will hold its regular monthly Board of Education Meeting on Wednesday, September 15, 1971 at 7:30 p.m. in the new General Office.

EDITORIAL

Mayor Toft merits high commendation and sincere lauds from the Antioch Community. The Village Board meeting of Sept. 7 proves that Mayor Toft is concerned with the progress, growth, and property of our town.

Within the session of the Village Board Meeting, Toft took a more definitive action on the proposal that he originated previously. As the Mayor suggested before, the Planning Commission must expand from a 7 to a 10 man commission. The growing Antioch necessitated this action, so Toft moved without delay.

Toft added members from the boards of education to the planning committee. By this move the Mayor revealed his concern for future planning in education.

The Village of Antioch now has two working forces to rely upon and to have confidence in for our hopeful and successful future. The Zoning Board and the Planning Commission.

We - THE ANTIOCH NEWS - commend Mayor Toft for this most positive action and his specific interest in our community.

EDITORS' NOTE:

WE of the ANTIOCH NEWS agree with many that there has to be an end to higher and higher taxes, but until such time that a workable plan can be arrived at to do this, we do not feel that our educational system should suffer for lack of funds.

Good schools are the very heart of our community and country so we of the ANTIOCH NEWS would like to give our full support to the proposed Tax increase.

Be sure to vote this coming Saturday and support our schools.

PLEASE be sure to note our "LETTERS TO THE EDITOR" section. The letters are from your neighbors and mine!

Letters to the Editor

Thoughts on the Referendum

Like most of your readers I experienced some shock on opening this week's copy of your paper. MORE TAXES. When my blood pressure returned to normal one thought came to mind. The Federal and State Governments may appear to tax without reason but one's next door neighbour on the School Board would be in for a rough time if he did not show "just cause".

After speaking with several members of the Board these interesting facts were disclosed. The 34th School District has an excellent record for cleanliness and maintenance. This is recognized Statewide. It also has a very low rate of absenteeism. In January of this year a representative of the school insurance company inspected the then three operating buildings. He carried out his task like Mrs. U.S.A. Housewife. His findings proved so amazing that he wrote a letter of commendation to the Administration.

If the 18th of September referendum fails to pass a sad train of events will be set in motion. Untidy playgrounds and corridors; dirty washrooms and toilets result in accidents and infections; unrepaired windows result in cold personnel and in increased fuel bills. Sick children result in doctors' bills, pharmacists' bills and in many cases working mothers losing several days' pay.

It may be cheaper to pay the tax and maintain the excellent condition of our schools.

Yours sincerely,
Alleen B. Biel

To the Residents of Antioch Community Consolidated School District No. 34.

The officers and board members of Oakland Grade School PTA urge you to consider the following reasons for supporting the School Building Maintenance Referendum on September 18, 1971.

The School district is asking for 12.5cts Building Maintenance increase. This would mean a tax increase of \$18.75 per year on a home assessed at \$30,000 real value. The overall educational tax rate in our school district this year was 28.7cts lower than previous years. By adding the 12.5cts to our taxes, our school assessment will still be lower than former years, or in other words, on a \$30,000 home, we would still see a tax decrease of \$24.30 per year.

The Antioch Grade Schools are known throughout the area as being the cleanest and best

maintained. Each of us should take great pride in this fact. The school district, because of added maintenance of the new Upper Grade Center, and because of increasing maintenance costs in the grade schools, can no longer guarantee that this high standard of maintenance will continue. As a matter of fact, there is no possible way that this standard can be maintained without additional funds. The School Building Maintenance Fund is now in debt \$59,800 with an anticipated deficit of \$178,728 by July, 1972. Money from other school funds cannot be used to repay this debt (it is illegal).

The interest being paid on this debt will increase as the debt grows. This interest payment comes from our tax dollar now. It is reasonable to assume that we would all prefer to see our tax money used for improving and maintaining our schools than paid out in interest to lending institutions.

By passing the referendum on Saturday, September 18, our school district will begin receiving these funds sometime next year, in time to begin paying off the already incurred debt before it gets out of reach, and in time for us all to see our schools continue to be maintained properly.

All of the people in the Antioch Community Consolidated School District No. 34, be they young or old, with or without children in the schools, should look upon the schools as a real estate investment. Many of us have paid taxes for years to build and maintain these schools - they belong to us - we must share the responsibility for increasing their real value. If we do not, the real value will decrease, and it will be our loss.

Whatever your decision might be about the referendum, exercise your right to vote on September 18, 1971.

Oakland Grade School PTA
Jean M. Montrimas, Pres.
Joseph Sanford, Vice Pres.
Nancy Richardson, Sec.
Marilyn Schulz, Treas.

Referendum

We think it is important that people express their opinions at the ballot box on all major issues.

Our public schools probably touch more individuals and influence more individuals than any other governmental body.

A referendum will be held this Saturday which should receive every voter's attention.

The Board of Education of District 34 is asking for an increase of 12.5 cents in the Building Maintenance tax rate. They point out that the increase is needed because of the inflationary spiral and because the tax receipts per child have decreased.

As parents of school children, we urge the people to get out and vote and approve the tax rate increase. Being property owners, too, we are hit with high taxes like everyone else, but thoughtful consideration confirms the wisdom of the tax rate increase. We have a large investment in our schools - that investment must be protected by maintenance. Inflation has raised the cost of supplies, electricity, water, fuel, salaries and repairs. The increase in school population means harder wear requiring more maintenance, and the per pupil tax returns have not kept up with the inflation so that the tax rate increase is sorely needed.

Our children are our greatest asset. We want the best education possible for them, but we must provide the facilities and the up-keep of those facilities.

Regardless of HOW you vote, be SURE TO VOTE Saturday. Express YOUR opinion on community matters. The polls open at noon.

Sincerely yours,
Mr. & Mrs. Joseph V. Hunley
Mr. & Mrs. Carl E. Scheske

A Big Thanks

The officers and members of the Antioch Area Chapter, No. 387, of the American Association of Retired Persons, (AARP), would like publicly to extend the appreciation of their chapter for the fine cooperation by the Antioch High School District, No. 117, their board, and faculty for the issuing of personal FREE passes for admittance to high school functions. This privilege was extended to senior citizens at age 65, having residence in the Antioch School District, No. 117.

Yours for Community Service,
ANTIOCH AREA
CHAPTER, No. 387, AARP,

In answer—

Much has been written about St. Peter's Country Fair, and the bad publicity was unfortunate for the fine Church, its members and its priests.

In answer to a letter to the Editor of Sept. 1st, it seems rather tragic that resorting to illegal gambling was done "to keep the school open." If people don't feel that the school is worth supporting by donations and legal ways, perhaps it doesn't mean that much to the members and the community.

Allowing PTA's and Churches to resort to illegal gambling to raise funds, poses a moral issue. Children are taught to respect their churches and certain institutions such as the PTA's, and when these organizations break the law, how can they expect to teach children to be law abiding?

Our big problem today, is in keeping our young people on the right path—and example is an excellent teacher in this direction.

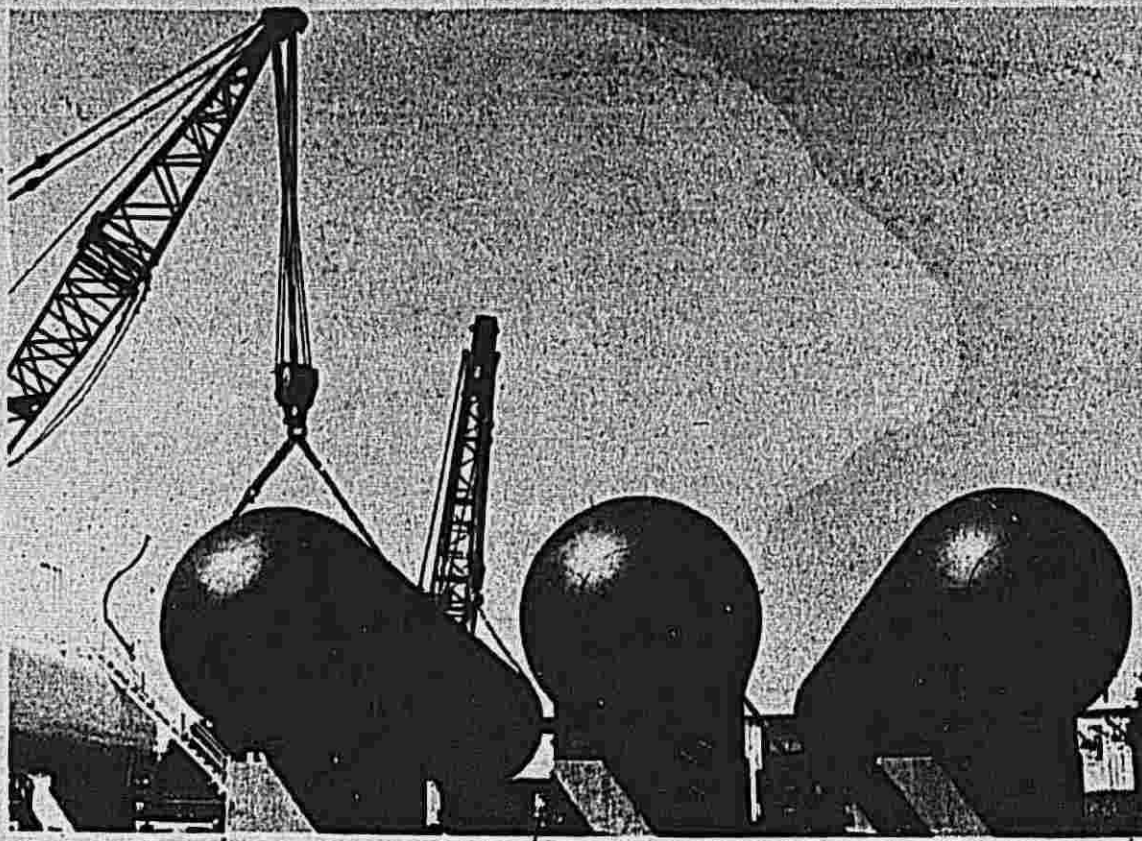

F. Reeder

CLOTHING EXCHANGE

The price freeze is on and to help out inflation, the Lake County Mothers of Twins Club will be having their annual childrens clothing exchange on Thursday, September 16th at the Y. W. C. A., 445 North Genesee, Waukegan. Mothers are asked to mark the garments with the necessary information on one side and their name on the other side of a slip of paper. Information on large items to be exchanged will be posted on a bulletin board.

The meeting will start promptly at 8:00 p.m. and plans will be finalized to attend the annual State Convention in Galesburg, October 15th and 16th. Delegates to the Convention are Bonnie Kukkola of Winthrop Harbor, Ellamae McGrath of Waukegan and Maureen Rogers of Highland Park.

Hostesses for the evening will be Suzanne White and Mary Hines.

The first three of 18 new storage tanks are set in place on concrete foundations at North Shore Gas Company's liquid petroleum facility near Libertyville. The company is

doubling the delivery capacity of the facility, which produces a manufactured gas to supplement send-outs of natural gas during severely cold weather.

N. Shore Gas Co. Expands

WAUKEGAN—North Shore Gas Company said today that an expansion program at its liquefied petroleum (LP gas) facility near Libertyville has been accelerated and that the project will be completed by the end of the year—almost 12 months earlier than originally planned.

The daily send-out capacity of the facility, located at Peterson Road and U.S. 45, is being doubled in order to help meet growing demands for gas in North Shore's 275-square-mile territory. The project will cost about \$1.7 million.

To make available larger amounts of manufactured gas for augmenting send-outs of natural gas during extremely cold weather, 18 tanks for the storage of liquid petroleum products are being added at the 23-acre installation.

Thirty-six reinforced concrete piers or foundations have been poured for the tanks, eight of which have arrived by rail at the site and have been mounted on the piers. Each tank is about 90 feet long, 11 feet in diameter, and weighs 60 tons. With the additional tanks, storage capacity of liquid petroleum products will be increased from 1,230,000 to 2,150,000 gallons.

Besides the additional

storage capacity, new vaporization and air compression equipment is being added—the portion of the project which at first was not originally planned to be completed until the 1972-73 winter. This equipment is used to vaporize the liquid propane, compress air, and inject the compatible manufactured fuel into a nearby natural gas supply line.

When the expansion project is completed, the facility will be able to produce the equivalent of 76 million cubic feet of natural gas per day, or double the existing daily capacity.

The basic fuel in liquid form is delivered during warm months and arrives at the site in tank trucks or railroad tank cars. An underground pumping system connects the truck and railroad unloading stations with the storage tanks. Unloading a 30,000-gallon railroad car takes about three hours.

North Shore Gas built the facility in 1963 to produce reserve gas during cold weather, a procedure known to the gas industry as "peak shaving." The fact that 75% of the company's 80,000 customers use gas for heating underscores the need for this kind of facility.

1971 Proclamations

Children's Lung Disease Month

WHEREAS, respiratory diseases represent almost half of the chronic illnesses of children and account for as much as 85% of the time spent by pediatricians in treatment, and

WHEREAS, lung-damaging diseases affect more than 5 million children in the United States, and

WHEREAS, the most tragic respiratory disease in children is cystic fibrosis, an inherited biochemical disorder which occurs once in every one thousand births, or 3,500 to 4,000 babies each year, and

WHEREAS, at this time there is no control, despite advances in treatment, for this inherited lung disease, and

WHEREAS, the National Cystic Fibrosis Research Foundation is supporting research to find a control for cystic fibrosis and care for all children with similar symptoms in Centers across the land, and

WHEREAS, the month of September has been designated as CHILDREN'S LUNG DISEASE MONTH in the state of Illinois and Sunday, September 12th through Sunday, September 19th as CHILDREN'S LUNG DISEASE WEEK to enlist public support in the fight against cystic fibrosis and related serious lung diseases in children,

BE IT THEREFORE RESOLVED, that I Raymond P. Toft acting under and by virtue of the Authority vested in me by the Constitution and Laws of this Village of Antioch, hereby proclaim the month of September as CHILDREN'S LUNG DISEASE MONTH and Sunday, September 12 through Sunday, September 19th as CHILDREN'S LUNG DISEASE WEEK and urge the citizens of our community to join with the National Cystic Fibrosis Research Foundation in its humanitarian task.

Overnight Delivery For Area Residents

Postmaster Robert Carter, amplifying on a new mail service program recently announced by Washington headquarters, today identified local areas which are to receive overnight delivery of first-class mail originating within the Antioch, Illinois area.

Postmaster Carter said five areas contiguous to Antioch, Illinois will benefit from the next-day deliveries under a new mail service goal announced by Postmaster General Winton M. Blount.

These areas, Postmaster Carter said, include the following:

Gary, Ind.	463-464
No. Suburban, Ill.	600-603
So. Suburban, Ill.	604-605
Chicago, Ill.	606
Rockford, Ill.	610-611

Postmaster General Blount on August 26 unveiled the Postal Service's new goal of overnight delivery of local area first-class mail deposited by 5 p.m.

"The Postmaster General has pointed out that this program will affect more than half of all first-class letter mail sent in the United States," Postmaster Carter said. "So customers of every post office in the country will be benefitting from the new service goal."

Substantially more than half of the fifty two billion pieces of first-class mail handled annually are for delivery in the city where deposited or in nearby communities.

The areas outlined today by

Postmaster Carter are those within which next-day delivery will be provided for ZIP-Coded first-class mail deposited by 5 p.m. on weekdays in business areas, and at collection points on main thoroughfares.

The Postal Service set October 31 as the deadline for achieving the 95 per cent goal.

PP&K GOVERNMENT PROCLAMATION

WHEREAS, the President's Council on Physical Fitness stresses the continued importance and necessity of building strength, stamina and endurance in our nation's youth by emphasizing daily vigorous exercise; and

WHEREAS, the Ford Dealers of America and the National Football League has undertaken to sponsor local Punt, Pass and Kick competition for boys between the ages of eight and thirteen; and

WHEREAS, Punt, Pass and Kick offers young boys an opportunity to compete in a national program which underlines the importance of physical conditioning basic to other forms of excellence, and at the same time allows for supervised participation in a competitive sports situation;

now, THEREFORE, I, Ray Toft, Mayor of the City of Antioch, do hereby proclaim the day of October 3, as PUNT, PASS AND KICK DAY in the city of Antioch and call upon our citizens to observe the day with the traditional American spirit of competition and good sportsmanship.

SOCIAL NOTES

by Del Jahneke

Some proud parents are the JERRY SHATLEY'S of North Main St., Antioch, when "Edie" Shatley gave birth to a bouncing baby boy, on Wednesday, September 8th, at Victory Memorial Hospital. Baby GREGORY ALAN tipped the scales at 7lbs, and is 21 inches long. His two older sisters, TERRI and DEANNA, and brother, RANDY, are eagerly awaiting his arrival home.

Activities are getting underway for the two Brownie Troops in Antioch. A "Get Acquainted" meeting for the mothers of girls in Brownie Troop No. 185 will be held at the Antioch Scout Home, on September 15th, from 8:30 to 5:30 P.M. Co-leaders Mrs. DONNA DAHLBERG and Mrs. FRAN VAJAC are hoping there will be a large attendance as there are many important matters that must be discussed.

According to Mrs. RICHARD PROCTOR, leader of Brownie Troop No. 180, their girls will be holding their first cook-out on September 25th, from 12:00 to 2:00 P.M., at a place to be designated at a later date. The newer girls will be learning how to build wood campfires, prior to their cook-out. GOOD LUCK, GALS! Weather permitting, the fall meeting will be held outdoors. Co-leaders with Mrs. PROCTOR are Mrs. JORDAN PRATT and Mrs. RICHARD KUFALK.

The RAY RATHMANN'S of Oakwood Knolls attended the wedding of Mrs. Rathmann's niece, Darlene Cosper, daughter of the Pat Cospers of Wheeling, to Dale Luff, Arlington Heights, on Saturday, September 4th. The wedding was held at Christ Lutheran Church in Palatine, with dinner held afterwards at the church. A family reception was held later at the Cosper home.

PLANS P.T.A. GRADE SCHOOL MEET THE TEACHERS

THE ANTIOCH GRADE SCHOOL P.T.A. is planning a "Meet the teacher" evening on Monday, 20th September, 1971 at 8:00 p.m. in the gym. This is an excellent opportunity to get to know the dedicated men and women who will be instructing your children during the coming year. The Superintendent Mr. Henry Meyer and several members of the School Board are planning to attend and will be available to answer any questions. The 4th and 5th Grade Room Mothers will be serving refreshments.

Along the Way with Annie Mae

The ground breaking ceremonies last Sat. morning sure went over big with the kids. Hope no one went home with bumped heads, as the kids scrambled for their treasure! —Who said champagne doesn't taste good at 8 a.m.? No-one who attended the preceeding breakfast at Paty's Lounge I'm sure. JEAN IRVING really deserves a deal of praise for being at the right place at the right time and organizing the whole event. What a gal!!!

RIT.I. and NANCY GEORGESON (from Bills Arco) are still talking about their 4,000 mile vacation out west, but I'm sure Bill won't forget it for a long time. Hear tell they had some real rough roads! While stopping in Colorado, they saw former Antioch residents MARILYN & "PINKY" GORMAN.

Remember this date "Sept. 24. Our Antioch KWANIS will be out in full force for "Peanut Day". Please be generous, as the money goes to help our young adults right here in Lake County.

Happy Birthday goes to MARGE MASEK, Sept 28. Also belated birthday wishes for Dr. L. V. Madden on Sept. 12, and ALICE PALASKE

celebrated another year on the 14th.

Along with the 'Happys' is a Happy Anniversary on the 16th to PAT AND JIM HARVEY. May you have many many more.

Keep your eyes peeled for the opening of the beauty shop on Main Street.

DAN KASIK gets the "nice husband" award as he gave his wife a weeks vacation in Florida to attend her sisters' wedding last week.

MR AND MRS TERRY BOSTON of Bluff Lake held a birthday party on Saturday for their 10 year old twins.

Get well wishes go to TIM O'CONNELL who had a bout in the hospital and is now home and resting. Also lets remember (Tiny) Richard O. Kelsey of "Fays". The kids miss him. Hope to see him back on the job soon. Also on the speedy recovery list are PAULA BECKER and NANCY MENDRALA.

Don't forget the Antioch Rescue Squad golf tournament. Nice way to have fun yet do your part with a donation.

HELP!!! The deadline for the ballpark franks has been extended for a very short time. The wrappers brought in made

it possible to get 6 aluminum bats for next year. With just 10 MORE WRAPPERS they can get another bat. Please call Bernice Pape, 395-2346 if you have any wrappers.

Maybe you can help the police department - Had a call the other day. Someone was complaining of children throwing rocks on a lady's roof. Come to find out it was a squirrel dropping nuts. What would you file that under? Delinquent Squirrel?

Don't forget to support the Sequoits this Saturday noon at North Chicago High School. Our football boys are in good shape-go get it! (the freshman squad plays here at 9:30 a.m. Saturday.

Spirit!!!
Annie Mae

Ask IRS

Q) Is it true that I can claim a credit on the tax I pay on the gas and oil I use for my boat?

A) Yes. When you file your return next year, you may claim a credit of 2¢ per gallon for gasoline and a credit of 6¢ per gallon for lubricating oil. Be sure to keep adequate records to substantiate your credits. When you file your return use Form 4136 to claim the credit. IRS Publication 378, Federal Gas Tax Credit or Refund for Non-highway and Transit Users, may be helpful. Send a postcard to your local IRS office to obtain a copy.

Applications Available For S&L Art Poster Contest

For the fourth consecutive year, the Illinois Savings and Loan League will sponsor the Savings and Loan Art Poster Contest for elementary and high school students in Illinois during October. The League will award twelve cash prizes totaling \$1,200 to winners of the contest at the state level. The poster contest is designed to encourage youngsters to express their ideas about the importance of thrift. The theme for the contest, "People Who Save, Live Better," points up the fact that a regular, consistent savings program can provide the means to achieve various goals—a new home, a college education, a family vacation, etc.

The contest is open to third graders through seniors in high school, each competing in their own age group at all levels of the competition; 3rd and 4th grades, 5th and 6th grades, 7th and 8th grades and high school. Application blanks and contest

rules are available from savings and loan association members of the Illinois Savings and Loan League.

According to the contest rules, the size of the finished posters must not exceed 22 x 28 inches, including the border. Any art medium may be used including pen and ink, pencil, crayon, water colors, oil paints, charcoal, cut-outs, chalk, tempera paints or any other medium. However, only poster art will be accepted. Mobiles, shadow boxes, sculpture, dioramas and similar items will not qualify.

All contest entries must be made on an official entry blank, obtained from a participating savings and loan association. Deadline for receipt of completed posters is October 30th. All contest entries must be submitted to the savings and loan association from which the contest entry blank was obtained.

The Annual Home Sunday of the Milburn Congregational Church was quite special for Vivien Bonner. The large gathering of church members and friends sang a "Happy Birthday" to her. She is 90 years young. Standing with Vivien is Rev. L. H. Messersmith. Vivien was a former Sunday School teacher and has a remarkable memory for names. (even remembering this editors name). She resides at Plymouth Place in LaGrange.

American Legion Auxiliary News

The Fall Board Meeting of the American Legion Auxiliary, Department of Illinois, was held at the Sherman Hotel in Chicago on September 9th, 10th and 11th. Mrs. Firman Hendricks, Cerro Gordo, State President, was the presiding officer.

Representing the 10th District Auxiliary, was Mrs. Joseph Hogue, Waukegan No. 281, 10th District President; Mrs. Everett Ainsworth, Lake Forest, District Vice President; Mrs. Norman Holt, Department Assistant Sergeant-at-Arms; Mrs. A. J. Dorn, Mundelein, State Junior Membership Chairman; Mrs. Herbert Gleason, Libertyville, State

committee member on children and youth; Mrs. William Franzen, Vernon Unit, State committee member on Americanism; and Mrs. John Chudzik, Lake Zurich, State board member of the veteran's craft exchange.

Mrs. Ray Rathmann, Antioch, served in a dual capacity, as both the Second Division Vice President; and as a Department committee member of the membership program. The rehabilitation and veteran's affairs session was attended by Mrs. Robert Broege, Deerfield, Department Downey Hospital Director; Mrs. Henry Reinke, Waukegan No. 281, State Downey

Hospital Deputy Director; and Mrs. Richard Stastny, Mundelein, 10th District rehabilitation chairman.

All state officers, state chairmen and state committee members were in attendance from throughout the state. There were meetings regarding every program, the year's theme was discussed, and the activities for the ensuing year were outlined.

The Antioch American Legion No. 748 held their past president's parley pot luck supper party, on Labor Day, September 6th, at the Antioch American Legion Home. Eight past presidents were there (Mrs. John L. Horan, Mrs. Ray Rathmann, Mrs. Frank Kennedy, Mrs. John W. Horan, Mrs. William Dowden, Mrs. Eva Kaye, Mrs. Ralph Fields and

Mrs. Joseph Horton.) A book has been given to the Antioch Public Library in honor of all the Unit's past presidents.

Mrs. J. W. Horan, President, conducted a brief business meeting. Card games were played after the meeting.

Garden Club Meets

The Antioch Garden Club September 27th meeting will be a tour of Whitnall Park with a luncheon at Clifford Inn. Members are to meet at the Antioch Packing House at 11:00 a.m. Hostesses for the day are Mrs. Joe Patrovsky Sr. and Mrs. Walter Laurell. Please phone 395-3953 for reservations.

BOMB Threats

BOMB THREATS AT HIGH SCHOOL AND SHOPPING CENTER.

On Friday, September 10 and on Saturday September 11 the Antioch police and fire department had two bomb threats reported.

The first bomb scare came on Friday when the high school received a call saying that a bomb was hanging in or on the side of the new building. The building was evacuated and checked, but no bomb was found.

The second bomb threat came on Saturday when a call was received at the police station that there was a bomb in the shopping center. The caller said "There's a bomb set to go off at 2:30 p.m. in the shopping center." Police Chief Davis and Fire Chief Mapletorpe answered the call and remained in the area long after 2:30, but nothing developed.

The Antioch High School is going to make arrangements to have their phone lines tapped so the "bomb threat" calls can be traced. At present they can not tell whether the call is from outside the building or inside.

This is a serious nuisance. The threats can't be ignored - Yet they upset all schedules and make unnecessary calls for the police and fire department.

Salem U. Dist. 2

Residents of the proposed Salem Utility District No. 2 recently approved plans to proceed in the formation of the utility district.

The measure was approved by a vote of 88 - 66 during a confusing and, at times, bitter meeting held at Wilmot High School.

The majority of the people attending the meeting were expecting a report on a feasibility study which they had authorized on May 19, but were informed, instead, that the utility district had to be formed before the feasibility study could be initiated.

At one point in the somewhat heated session verbal criticism was aimed at the town attorney, Philip Morrissey; town engineer Herbert Johnson; Bill Malcovy from the Southeastern Wisconsin Regional planning Commission and Al Stravarious from the Department of Natural Resources.

The advisability vote for the formation of the utility district came an hour and 45 minutes after the hearing began. Following the vote, the hearing was adjourned.

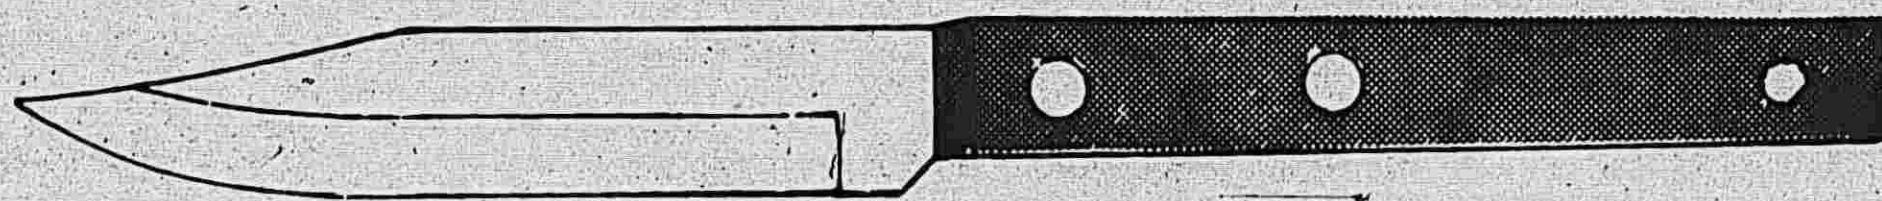

ACHS GROWS

Antioch Community High School continues to grow. Recent figures released by the high school indicate a total enrollment of 1,370 students in grades 9 through 12. This represents an increase of 65 students over the academic year 1970-71.

Official enrollment statistics do not include Special Education children attending classes in the high school. These 31 students would raise the total to 1,401.

An interesting statistic was revealed by the attendance office when it was noted that for the first time in the history of the high school all classes, freshmen through senior, number over 300 students.

Another interesting note is that boys outnumber girls 747 to 623.

2 More Nice Things That Come With A 1st National Savings Account

The BOOK Shelf

With school in full swing and the studies getting harder—The Antioch Township Library is the place to study. The study carrels give you the privacy and chance for concentration that produces "A" grades.

Some of the books available are:

SOMEONE'S IN THE KITCHEN WITH DINAH, by Dinah Shore. Favorite recipes of the author ranging from old favorites to soulfood to epicurean treats, for any number of people with any number of tastes.

TELEVISION'S CHILD by Norman S. Morris. Probes the effect of television on the values, behavior, and development of children under ten.

W. C. FIELDS & ME by Carlotta Monti with Cy Rice. The celebrated screen actress illuminates the personality and life of the legendary W. C. Fields by recounting their fourteen years together.

THE COURT-MARTIAL OF LT. CALLEY, by Richard Hammer. Penetrating Narratives of the events surrounding the Court-Martial for the Massacre at My Lai.

Library hours are 12 - 9 p.m. on Weekdays and 10-5 p.m. on Saturdays. Phone Number is 395-0874.

PASTOR SCHROEDER IS INSTALLED

The Rev. Kent E. Schroeder, age 30, was installed on September 12, as the pastor of Faith Ev. Lutheran Church of Antioch. Pastor Schroeder is a native of Watertown, Wisconsin. He received his pre-theological training in Watertown at Northwestern Preparatory School and Northwestern College. After completing college he enrolled at Wisconsin Lutheran Seminary at Mequon, Wisconsin. One year of his seminary training was spent as a vicar at Zion Lutheran Church in South Milwaukee, Wisconsin. He was graduated from the Seminary in 1967 and for the past four years has been serving as the pastor of St. Peter's Lutheran Church, Marshfield, Wisconsin, and Emmanuel Lutheran Church, Stratford, Wisconsin.

Mrs. Schroeder is the former Lee Ann Knull of Burlington Wisconsin. She is a graduate of Milwaukee Lutheran Teachers College and has taught in Lutheran schools at Fairfax, Minnesota, and West Allis, Wisconsin. The Schroeders were married in 1964, and have

AFS Hosts Open House For JULIO

The Antioch chapter of the American Field Service will host an Open House from 3 to 6 p.m. in the back yard of Mr. and Mrs. Robert Jensen, 477 First Street, Antioch on September 19. The guest of honor will be Antioch High School's 6th A.F.S. foreign student, Julio Gerrardo Sanchez. This extremely likeable teenage ambassador from Isidro de El General, Costa Rica is eager to meet as many people as possible and to learn all he can about our community and the United States during his year's stay in Antioch. Time goes very quickly and Julio doesn't want to miss this opportunity to make the most of his A.F.S. scholarship to the United States.

Since he arrived on August 4, Julio has already covered quite a bit of ground. The day after he arrived, Julio drove to Michigan with his Antioch family, Mr. and Mrs. Ronald Rau of 704 Hillside and their three children, Romaine, Laurie and Andy, to pick up his American brother, Jay, from camp. After returning from Michigan, Julio enjoyed a visit to the Milwaukee Zoo with A.F.S. adult president Jean Irving and her family. He also got to see a Cub baseball game with a group from St. Stephens Lutheran church. The Rauses shared an interesting day with their new family member at the Costa Rican Council and the Art Institute in Chicago. Mrs. Rau said that Julio was completely fascinated and amazed at the endless traffic on their way home from Chicago during the rush hours.

On Tuesday, August 31, Julio was a guest of Mrs. Irving's at the High School teachers' luncheon, hosted by the 1st National Bank of Antioch, which gave the teachers and Julio a sneak

preview of each other.

Wednesday, September 1 was a memorable day for Senor Sanchez when he started his first day as a senior at Antioch High School. His schedule includes Senior Math, Senior English, Political Theory, Biology, Speech and Physical Education. Julio admitted to a classmate that he was a little scared about going to a new school in a strange country, but it is a challenge this alert Central American is determined to meet to the best of his ability. On September 1, Julio also squeezed in a visit to Antioch's Water and Sewer department and the library.

In his spare time, Julio has easily adjusted to being a contributing member of the Rau household. Says Mrs. Rau, "Julio", as she affectionately calls him, "has a personality that fits in beautifully with our family." When asked about any language problems with Julio, Mr. Rau said "he is really catching on fast." Jay Rau, a sophomore is teaching his Costa Rican brother how to play chess and he finds having a foreign exchange student for an older brother "different and fun". The whole family is happy to answer Julio's numerous questions, and Mrs. Rau is hopeful that her new son's good manners will rub off on the rest of her children. Opening their hearts and home to a new family member comes spontaneously to Ronald and Jane Rau. They adopted their six year old son Andy, a full-blooded Apache Indian, in May of 1967.

Julio and the Rauses are looking forward to meeting many neighbors and friends of A.F.S. at the "open house" on Sunday, September 19!

ADRIAN MUELLER RECEIVES DEGREE

URBANA, ILL.—Diplomas for 1,498 summer graduates of the University of Illinois now are being prepared. The total includes 500 undergraduates and 998 advanced degrees.

As there is no summer commencement ceremony, preparation of diplomas is begun only after all grades are reported and verified. The diplomas will be mailed about Oct. 16.

Among those to receive degrees is Mr. Adrian John Mueller of 625 Phillips Circle, Antioch. Mr. Mueller received his Master of Education Degree. He currently teaches at the Antioch Community High School.

two sons: David, 4 and Paul, 2. Following the Installation Service was a Pot Luck Supper. During the supper words of welcome were spoken by the various organizations and activity groups. Members were given a chance to meet and talk to Pastor Schroeder and his family during the evening.

SO-CI'E-TY

n.; pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

Susan Moran was wed to Mark Taylor on Saturday, August 21st. Rev. Donald J. Cobb officiated at the double ring ceremony at the Antioch United Methodist Church. After a family dinner at the Parkway in Waukegan, the couple left on their honeymoon trip to Canada. The bride is the daughter of Mr. and Mrs. Charles Moran, Rinear Rd., Antioch, and is employed at Kemper Insurance in Lake Zurich. The couple will reside in Waukegan.

ROCKOW - HOENING WEDDING DATE TOLD

Mr. and Mrs. Norman D. Rockow of Antioch would like to announce that the wedding date has been set for their daughter Dolores D. Rockow to Mr. Bruce H. Hoening, of Salem, Wisconsin; son of Mr. and Mrs. Frank Hoening, of Cary, Illinois.

The wedding is set for October 23, 1971 and will take place at St. Peter's Church in Antioch.

The couple plan to make their home in Salem where Bruce will pursue his work at Modine Manufacturing as rate manager.

A lot of people still believe that a treasure is buried wherever gold-enrods grow!

Rotary club

The September 16 meeting of the Rotary Club will be held at "Les Shaffers" 657 Plum Tree Lane on Rt. 173. The program chairman is Vince Patla.

Mr. Ted Mediz, Light Truck Manager, Chicago District Ford Motor Company, will address the Antioch Rotary Club on Thursday, September 23rd., at the regular noon meeting.

Mr. Mediz will show a 30 minute film of the 1971 Baha road race. This will be the first showing in Illinois.

Mr. Mediz will be the guest of Owen Duffy and Lyons & Ryan Ford of Antioch.

A large turn out is expected at this Rotary meeting.

5th Annual Rose Show

The Fifth Annual Rose Show of the Northeastern Illinois Rose Society held last Sunday in the beautiful lounge of the Growth Sciences Center at I.M.C. in Libertyville, was attended by several thousand people.

Mike Ksian of Kenosha, Wisconsin not only walked off with "Queen of the Show" silver and crystal trophy, but also, copped five other trophies for the best grandiflora spray, the best floribunda, the best climber, and two Challenge trophies donated by Don Ballin and Tad Polyn. Robert Cleveland of Milwaukee won Show Princess and the best miniature spray trophy.

Show Prince was awarded to

Fred Jorgensen of Palatine. Queen of Arrangements, plus Princess and best miniature arrangement was won by Rita Suppan of Niles; Countess award fell to Agnes Polyn of Chicago.

Other trophy winners were Art Mendelson of Skokie, one each for the best Old Rose and the best single miniature. Micheal Wirtz got the Novice Award; the Inman Challenge trophy was captured by R. Bowling, and Mrs. Thomas Anver of Highland Park won the Hoyle trophy. The English Box trophy went to Steve Rulo and the Mini-Box to L. Stabb. Hundreds of ribbons and American Rose Society Certificates were carried off, for exceptionally fine roses.

Plate Deadline Spec. Ill. License

The deadline for reassignment of special Illinois license plate numbers is September 30 and motorists wishing to retain their present numbers or acquire special new numbers are advised by the Chicago Motor Club-AAA to begin processing applications.

The motor club advises Illinois motorists to make application on the proper 1972 form, which is pre-printed and partially completed.

The required fee, based on indicated horsepower, is printed on the face of the renewal form. The car designated on the form will be the original vehicle owned in 1971. If 1971 plates were transferred to another car the

pre-printed form should still be used and necessary corrections should be made.

The club suggests that motorists requesting a new number should indicate one or two optional choices under the "remarks" section of the application form. In the event the first choice is not available, consideration will be given to the second.

September 25 is the suggested final mail date for applications. Checks, money orders or bank drafts are payable to the Secretary of State-Illinois.

The 1972 reflectorized Illinois plates will be white with royal blue letters and numerals.

PROGRESSIVE DINNER A SUCCESS

On Saturday, September 11th 21 couples from St. Stephen's Lutheran Church enjoyed an evening of fun and fellowship at a Progressive Dinner. Horsd'oeuvres were served at the home of Mr. and Mrs. Clifford Laursen, salads at Mr. and Mrs. Ron Rau's and the main course at Mr. and Mrs. Harry Lindgren's. The group returned to the church for games and dessert served by Mr. and Mrs. William Seeman.

Women of the Moose

On Thursday, September 2, Senior Regent Judy Page called the Publicity Chapter night program to order. Committee Chairman Cheryl Wise was escorted to the altar, where she introduced her committee.

As there was no enrollment, the Chapter proceeded with the chapter night program. Publicity Chairman Cheryl Wise introduced Mrs. Joyce Laird, a guest speaker from Illinois Bell

Telephone. Mrs. Laird provided a very informative talk on, "When Trouble Comes Calling." She explained and demonstrated the various ways obscene phonecalls can be handled.

After the meeting the Publicity Committee held a Mystery Cake Walk. Many delicious cakes and cookies were won.

The next meeting will be on Thursday, September 16.

DINING GUIDE

ANTIOCH NEWS, WEDNESDAY SEPTEMBER 15, 1971

Antioch Country Club

The softly candle lit dining room of the ANTIOCH COUNTRY CLUB features the finest quality, naturally aged steaks, never tenderized, prepared over glowing hickory charcoal on an open grill and served sizzling.

There is a "help yourself" ANTIOCH COUNTRY CLUB salad bowl of garden fresh lettuce topped by your choice of the chef's own special salad dressings.

On most evenings the dining patron will find Chef's Specials offered ranging from Stuffed Green Peppers to Roast Duck "with all the trimmings" and a fine selection of wines to enhance your dining pleasure.

In a continuing policy of catering to family dining, children's portions are offered.

Entertainment is featured on Friday and Saturday evenings in the Lounge. Opening this Saturday evening will be the Brothers-in-Law.

One of the unique features of the ANTIOCH COUNTRY CLUB is its professional theatre troupe, currently performing "BELL, BOOK AND CANDLE." Future productions include "Come Blow Your Horn," "Mary, Mary", and "Barefoot in the Park."

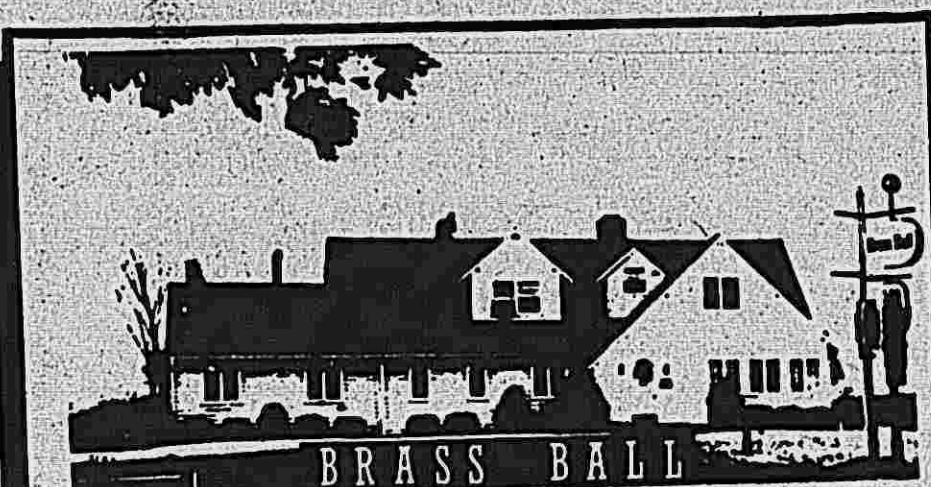

No Country Club is complete without a golf course and the course at the Antioch club is one of the finest around. Remo Crovetti is the PGA Golf Pro for the par 72, eighteen hole course. Its a "sporty" course with lakes, sandtraps, plenty of trees and well manicured greens and fairways. Electric golf carts and golf lessons are available.

+ Obituaries

MR. RALPH GEMIGNANI-75 yrs. old of 2446 North Marshfield-Chicago, Ill. passed away Saturday Sept. 11th at 1:10 a.m. in Victory Memorial Hospital in Waukegan. He was born Oct. 12, 1895 in Italy and came to the United States in 1916 to reside at Trimountain, Michigan, then to Chicago 45 yrs. ago, and had been residing with his son Gabriel Gemignani at 735 N. Main Street in Antioch for the past 3 weeks. He retired 10 yrs. ago as a paint sprayer in a factory in Chicago. He was preceded in death by his wife Celestina in 1946.

Survivors are 1 son Gabriel Gemignani (Antioch)-1 brother Alio Gemignani (Chicago) 2 grandchildren & 1 great grandchild.

A funeral mass was held on Monday at St. Peters Church in Antioch, with interment in St. Joseph's Cemetery in River Grove, Ill.

MRS. ANNA E. SORENSEN-89 yrs. old of 5950 Willow Springs Road-La Grange, Ill. passed away at 11:00 a.m. on Tuesday Sept 7th. at LaGrange Community Memorial Hospital. She was born Oct. 11, 1882 in Gotland, Sweden and came to the United States at the age of 15 yrs. to reside in Chicago. She had lived in Lake Villa, Antioch, & Mundelein, Ill. before residing in LaGrange 10 yrs ago. She had married Nels C. Sorensen on August 14, 1909 in Chicago and he preceeded her in death on July 24, 1930. One daughter Miss Violet Sorensen passed away on August 29, 1930.

Survivors are 3 daughters Miss Marian Sorensen (Chicago)-Mrs. Estelle (John) Levickis (LaGrange)-Mrs. Pearl (James) Dore (Melrose Park, Ill.)-1 son Earl P. Sorensen (Lindenhurst, Ill.)-8 grandchildren & 3 great grandchildren.

Funeral services were held at the Strang Funeral Home in Antioch on Friday Sept 10, 1971. Rev. Donald Cobb of the United Methodist Church officiated with interment in Hillside Cemetery in Antioch.

MR. ARTHUR T. SOBY SR.-67 yrs. old of Channel Lake near Antioch, Ill. passed away on Saturday Sept. 11th at 6:15 p.m. in Victory Memorial Hospital. He was born Sept 22, 1903 in Chicago, Ill. and moved to Antioch in 1950. He is a member of St. Peters Church in Antioch. He retired in Dec. 1968 as a supervisor at Anchor Coupling Co. in Libertyville. He married Jean Sherman on August 29, 1945 in Morton Grove, Ill.

Survivors are his wife Jean-4 sons Walter Soby (Venetian Village, Ill.)-Richard Soby (Arlington Heights, Ill.)-Arthur Jr. & Michael Soby (both of Antioch)-1 daughter Miss Linda Soby (Antioch)-1 sister Mrs. Minnie (William Radtke)(Chicago) & 5 grandchildren.

Funeral mass was held at 10:00a.m. on Tuesday at St. Peters Church in Antioch. Interment will be in Mt. Carmel Cemetery in Antioch.

LUTHER LEAGUE HOSTS RETREAT

Christ Lutheran Church, Paddock Lake, will host a fall retreat for the Racine-Kenosha Conference Luther League Friday through Sunday, September 17-19. About 75 overnight high school guests from area American Lutheran Church congregations are expected to attend.

Under the theme, "Tell It Like It Is," the retreat will focus on making and keeping Christianity relevant. An outside resource person, films and other media are to be featured.

A highlight of the three-day event will be the folk musical presentation, "Tell It Like It Is," staged by the 35 member Resurrection Singers of Racine, at 7 P.M., Saturday, September 18. The program is open to all. The retreat climaxes in Sunday morning worship with the congregation, followed by a "family meal"-Holy Communion and potluck dinner.

Out-of-town Leaguers will be housed with members of the congregation. Laurie Adams, local League officer, is retreat registrar.

High school youth from the area are welcome to join part or all of the retreat. Sessions begin with registration at 7 P.M., Friday, September 17 and about 9 A.M. Saturday, September 18.

ROAST BEEF DINNER ANNOUNCED

The Church Of The Holy Family at 1815 Lehmann Blvd., Lake Villa, will be having their third annual Roast Beef Dinner on Sunday afternoon, September 26th, from 1:00 to 5:00 p.m. The general public is invited.

The dinner is given as a service to the community and to build up the mission church. Mr. and Mrs. Ellsworth Curtis of 916 Lunga Drive, Round Lake, are general chairmen of the event. The idea for the Roast Beef Dinner originated three years ago when the furnace broke down and

repairs were needed immediately. A roast beef dinner was held to raise the necessary funds. It was such a great success that the dinners have continued.

Rev. Vincent Fish is vicar of Church Of The Holy Family, which is located just south of the junction of Highways 132 and 59 in the former stables of the Lehmann Estate.

The Roast Beef Dinner is served buffet style, and tickets are \$2.00 for adults and \$1.75 for children under twelve, and may be obtained at the door.

MEETING SET FOR SEPTEMBER 16

SPECIAL MEETING

The Community Pride and Beautification Committee has arranged for a presentation of drawings and designs for improving the appearance of our downtown area. Mr. Dick Woods, from Woods Construction and Development Company plus a sales manager and engineer from Reynolds Aluminum will be at a special meeting on September 16 at 7:30 p.m. at the Village Hall.

All members of the Chamber of Commerce, the

Board of Directors and members of the Community Pride and Beautification Committee are urged to attend this meeting. Also requested to be present are members of the Zoning Board, Planning Commission, Village Board of Trustees and Mayor. It is hoped that we will have a good attendance so that many of us can hear their suggestions and decide on the proper action.

Coffee and ... will be served. SEE YOU SEPTEMBER 16 at 7:30 p.m. at the Village Hall!

Lou Simon and Bob Wilton Co-Chairmen

THE

TRUTH THAT HEALS

CHRISTIAN SCIENCE CHURCHES

What is the connection between healing and salvation? This is a question to be explored in the Lesson-Sermon on "Matter" at Christian Science church services Sunday.

"Jesus healed sickness and sin by one and the same metaphysical process," according to the commentary on the healing and saving ministry of Christ Jesus to be read from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy.

The healing of the man who had been sick with palsy is included in the Scriptural readings. It concludes with the words: "And immediately he rose up before them, and took up that wheron he lay, and departed to his own house, glorifying God."

Services start at 11 a.m. at First Church of Christ, Scientist, Beacon Hill, Rte. 173 & Harden, Antioch, Ill. All are invited.

Channel Lake Chatter

by Louise Gutowski
395-1317

This reporter is very happy to be writing the Channel Lake column for the great New ANTIOCH NEWS. I hope that anyone with news will be sure to call and let me know. I will be very grateful as without you there will be no news.

PAUL 'DUTCH' and HELEN ZELEN became grandparents for the 10th time when son JOE and his wife PAT presented them with 5 lb. KELLY JO. Little Kelly was born on September 6 and will be going home to her three older sisters who are very eager to help her parents care for her.

RAY ENZENBACHER was hospitalized last week at Downey Veterans Hospital for tests. Hope he is much better and back in the swing of things. Get well soon Ray the bowling team needs you.

JOHN RUNYARD, RICH BEHRENS and GEORGE HUCKER plus their sons ventured up to Northern Wisconsin to the Runyard's cabin to pursue digging a well which has been in the working all summer. It seems water is hard to come by up there. Perhaps if they stay with it long enough they will strike oil and then

they can buy the water...

BIG WEEK coming up on television, all new programs, finally. No more reruns. . . . Yippee!!!!

LOU PORTALSKI, JOE and LOUISE GUTOWSKI and children, BILL and ALICE PORTALSKI and several friends spent the Labor Day weekend in Kankakee, Illinois for their favorite sport, boat-racing. Lou drives the Chrysler powered SK 77 Greyhound which he has been competing with for the last 12 years. Although it rained for a day and a half the races were exciting and spirits were not dampened until everyone hit the pool. The Greyhound ran well until engine trouble and a fast clock knocked it out of the running. Oh well, there's always next year.

JOANNE FRANZ and her friends enjoyed seeing Burt Reynolds in THE TENDER TRAP at the new Arlington Park Playhouse last Wednesday.

Our Condolences to JEAN SOBY and children on the loss of her husband ART. Mrs. Soby is the second grade teacher at Channel Lake Grade School.

Don't forget the grade school referendum coming up on September 18th.

Editors note: we're glad to have Louise and Channel Lake news as our regular weekly column. Be sure to help her out with news and look for it in the NOW ANTIOCH NEWS.

Rap Session

WITH THE SUMMER SEASON falling behind us, it is once again time to get back in the swing of things at school. It is nice to see some of your friends again, but seven o'clock in the morning sure comes early! Walking down the halls, we see some old faces and some new ones and sometimes even no face at all! Freshmen really should learn to watch where they are going instead of trying to look down at their schedule to figure out where they should be. "NO, FRESHMAN!, this is 205 senior English, you want 209."

We are very happy to welcome back the faces of BILL BURNS and PEGGY WILSON to our school. Bill moved to California two years ago but is now back in Antioch to complete his senior year. Peggy was down in Dallas, Texas for a year but she too has returned to complete her senior year at Antioch.

One old face that is missing is that of VERA BACWYN. She has moved to Florida and we are sorry to say she will no longer be with us.

One other person that is a new face at Antioch is our foreign exchange student, JULIO SANCHEZ. He comes to us from Costa Rica and is staying with the RAU family while he is here. The A.F.S. is

having an open house on September 19 from 3:00 to 6:00 p.m. to welcome him to the community. All who would like to meet him are invited. The openhouse is at the Robert Jensen Home at 477 First Street, Antioch.

The ANTIOCH SEQUOITS are getting in shape for another successful year. The football team had an interquad game Saturday in preparation for the first game of the season at North Chicago on September 18. The cross Country team has been running hard with two meets Sept. 11 and 14 and two more on Sept 16 and 20.

This week is election week at school for the freshman officers and all the class executive boards, so the halls are filled with campaign posters and stickers. Don't forget to vote for the candidate of your choice.

I hear GIRL'S P.E. is a lot more exciting this year. Construction workers in the showerroom and a man for your teacher sure can liven up things. I bet deodorant and perfume use really picks up.

Congratulations are in order for MISS DONNA KESSLER who one day before her seventeenth birthday finally managed to get her driver's license. Now all she has to do is get the car!

WELL, keep smiling, have a good week, and remember, don't let school "bomb" you out!

Bits from Barb

DEMOCRATIC WOMENS CLUB ELECTS OFFICERS

Two important events have been scheduled by the newly-organized Lake County Democratic Women's Club. Officers will be elected during a meeting Wednesday, October 6, at 8:00 P.M., and a Democratic Women's Day luncheon will be held Saturday, October 9, at the Swedish Glee Club, 621 Belvidere Road, Waukegan.

The election meeting will be held at Democratic Headquarters, 215 Madison Street, Waukegan. A slate has been prepared by a nominating committee named at the organization's September 15 charter meeting. Following election of officers, committee

chairmen will be appointed. All interested women are invited to attend.

Highlight of the October 9 luncheon will be an address by Harriet Cipriani, Vice Chairman of the Democratic National Committee. Mrs. Cipriani will discuss "Today's Woman in Politics." A reception will be held between noon and one o'clock, with luncheon promptly at one. Reservations for the luncheon must be made by October 6.

Information and reservations may be made by contacting: Mrs. Ronald A. Orner, Highland Park (432-5181); Mrs. Ralph Montrimas, Lindenhurst

(356-3147); Mrs. A.V. Ogrin, Waukegan (244-0751); Mrs. Dale Campbell, Lake Bluff (234-4182); Mrs. James Coopridge, Winthrop Harbor (872-4355); or Mrs. Charles Maguire, Mundelein (566-8286).

KNIGHTS of COLUMBUS TO HEAR SPEAKER

The effect of the population explosion on our nation's communication system will be described in a slide-illustrated program at the September 21 meeting of the Knights of Columbus at St. Peter's School. The meeting is scheduled to begin at 8:15 p.m.

The program, entitled "The NOW Network," will be presented by Mr. Jack A.

Whitmer, a member of Illinois Bell's Volunteer Speakers Bureau. Whitmer is an engineer in the company's Waukegan office.

The talk is one of 11 free programs that the bureau offers to community organizations. Bookings are arranged by calling Mrs. Laila Griffith, 623-9998, at Illinois Bell's Waukegan office.

450 JOBS AT J. C. PENNEY

J.C. Penney Co., Inc. is creating approximately 450 new jobs in Waukegan to fill the staff of its new store at Lakehurst Shopping Center.

Richard Scott, manager of the new unit, said that two thirds of the new staff will be employed in sales positions and the remainder will be involved in support activities such as office, stockroom, and maintenance areas.

Scott explained that the company is currently hiring a pre-opening staff that will

work for several months to prepare the new Penney's for its opening this fall.

The firm will begin to receive applications this week at the new Penney's in Lakehurst Shopping Center on Belvidere Road, between the hours of 9 a.m. to 5:30 p.m. Mondays through Saturdays.

Among the benefits of working at Penney's, Mr. Scott listed liberal discounts on purchases, vacations with pay, sick leave benefits, insurance, and the Penco Retirement Plan.

NATIONAL PUBLIC SERVICE AWARDS FOR LAKE CO.

LIFE UNDERWRITERS

WASHINGTON, D.C., September 8-The Lake County, Ill., Association of Life Underwriters has been cited by two national organizations of its outstanding community service efforts last year.

The Lake County life underwriters have received a Certificate of Merit from The National Association of Life

Underwriters (NALU), Washington, D.C., and the Institute of Life Insurance, New York, N.Y., for implementation of a Medic Alert program. The citation is part of the Public Service Program sponsored by the two national organizations.

The 105 member Lake County Association is one of 21 of 915 local NALU affiliates singled out for special public service honors in 1971. The Certificate of Merit will be presented at the 1971 NALU annual convention in New York City, September 14.

John F. Conarchy, of Prudential Insurance Company, Waukegan, was public service chairman this past year. T. Ted Vella, CLU, Metropolitan Life, Waukegan, was the association's 1970-1971 president.

LIFE INSURANCE CONVENTION IN NEW YORK CITY

Mr. T. Ted Vella, a resident of Deerfield, Illinois, and District Manager of the Metropolitan Life Insurance Company's Highland Park, Ill., office will be in New York City Sept. 12-16 to partake in the 1971 annual convention of the National Association of Life Underwriters. This meeting is the largest life insurance gathering held in the country each year and is scheduled to attract more than 3,000 delegates and guests.

Mr. Vella, who is immediate Past President of the Lake County Life Underwriters, will take part in important convention decisions on life insurance merchandising and product development and association affairs, and in events concerning state and federal legislation, national health insurance, consumerism, veteran's benefits, community service, public information and education and training.

The National Association of Life Underwriters has headquarters in Washington, D. C. and is a federation of 918 local associations with more than 106,000 members. There are 120 members in the local Lake County Association of Life Underwriters.

VanPatton Land Swap

Gov. Richard B. Ogilvie has approved House Bill 1811 allowing an exchange of land between the Lake County Forest Preserve District and Vulcan Materials Corp.

The bill involves the VanPatton land sites near Wadsworth, Ill., in northern Lake County. According to Jerry Soesbe, director of the Lake County Forest Preserve District, Vulcan Materials had held a tract of land which separated the north and south halves of the 621-acre site.

The forest preserve district will now be able to acquire that tract, totaling about 122 acres, the director said. Vulcan Materials, he said, has agreed to exchange that land for about 45 acres west of the Van Patton land site.

CHMELIER UNDERGOING TRAINING

Midshipman Peter S. Chmelir, son of Mr. and Mrs. John J. Chmelir of 913 Wildwood Drive, Lake Villa is now undergoing summer aviation training at the Naval Air Station, Corpus Christi, Tex.

His training consists of air navigation, aircraft engines, and aerodynamics. In addition, he will make flights in the T-34 "Mentor" training aircraft.

He is a member of the Naval Reserve Officer Training Corps unit at the University of Illinois.

SOCIAL SECURITY CLAIM NO. IS IMPORTANT

Are you receiving social security checks? Are you covered by Medicare? Allen K. Joy, District Manager of the Waukegan social security office, reminds beneficiaries living in Antioch that correspondence concerning their social security or Medicare records must contain a claim number to be processed promptly.

"Social security records are kept by claim number," Joy explained, "and long delays can occur when the correct social security number and claim symbol are not shown."

Claim numbers can be found on award letters, social security checks or Medicare cards. A claim number consists of a nine digit social security number with a letter after it-A,B,C,D, etc. The letter is very important. Without it, delays in processing may be as long as several weeks.

If a claim number is not shown on correspondence, social security employees will attempt to locate the correct claim number. "At times it can be a difficult task," Joy said, "since there are more than 26 million social security beneficiaries."

Remember, always show your claim number.

Planning and Zoning Courses Offered

"Every town, city, and village in Lake County can profit from a course of study in community planning and zoning," a Lake County city official recently stated. "We are pleased that the College of Lake County is offering a course designed for persons involved in planning and zoning. We are encouraging members of our planning commission and zoning board to attend."

Recognizing the need for courses of a community service nature and in response to the requests of city officials for a program in planning and zoning, the College of Lake County is offering CPS131-01 - Community Planning and Zoning. The course is designed primarily for members of local planning commissions, zoning board of appeals, and citizens who are interested in

community planning. The topics included in the twelve-week session are Illinois Planning and Zoning Enabling Acts, planning proposals and their application to municipal planning problems, zoning techniques, and the planning-zoning relationship.

Dr. Hal Garner, assistant to the dean of instruction at CLC indicated that there are still a limited number of openings in the class which is scheduled to begin on Wednesday, September 22. Registrations will be accepted right up to the first meeting of the class. Mr. Norman Drummond, former director of the Lake County Regional Planning Commission, will be the instructor of the non-credit course to meet on Wednesday nights at 7 p.m.

Any questions should be directed to Dr. Garner at the College of Lake County, 223-8193.

College hit chat

The weather has been so warm (hot) that it is hard to think about fall-but the college kids are. Football season is in full swing. The "sweat and hard work" goes to the fellows playing and to the rest of you - a welcome social event.

The freshmen are busy learning the campus layouts and adjusting to being away from home. Hear-tell EVE JANUARY is enjoying the lovely "New" campus of Rockford College where she is beginning her 4 years for elementary education. Eve has been at school since August 28th.

JANICE DOOLITTLE and her brother GARY managed to stay home this weekend for the Annual Home Sunday at the Milburn Church. Janice left Monday for Northern and Gary for Spenceria in Milwaukee. Gary Commutes.

DEBBIE TOFT is nicely settled in Carroll College. She did take an evening with her folks and went to the 250 mile race in Milwaukee. The Tofts picked Deb up for the race and dropped her off afterwards.

A Cheery note from BETTY VALENTINE tells us she is happy to be on the campus at Aurora College. "It's a Christian College & probably the only college left in the U.S. free from demonstrations, drugs, etc. Everyone is just wonderful". Hope it stays that way, Betty!

Our thoughts and love go this week to our "bitty buddy" KAREN SHEEHAN. Karen left Sunday for Vermont, and most probably is settled and making her new family in Spain comfortable and at ease with her.

Our thoughts go with all the college kids wherever they are.

CHARTER ISSUED TO BEAUTY SHOP

Springfield, Illinois, September 3, 1971, Secretary of State, John W. Lewis announced the issuance of Charter to the following corporation:

The Caryl Beauty Corporation, 875 Main St., Antioch, Ill. Common 1000 shares NPV Andrew C. Lynch. To engage in a general beauty shop, etc. CORRES. Rhode & Lynch 875 Main St., Antioch, Ill.

HENRY APOSTAL ELECTED P M & L PRESIDENT

P M & L, Antioch's community theatre group, held its annual meeting Sunday evening, September 12.

Elections were held and former vice president Henry Apostal was elected as president. Outgoing president Ken Smouse was then nominated and elected as vice president. Aileen Biel was re-elected in the capacity of secretary. Incumbents Fred Holbert and Gerald Pettera retained their positions as directors and Joanne Springer was elected as a new director.

Other board members are treasurer Bill Sershon, and directors Don Beveroth, Dee Baum, Nancy Eberman, Rich Iremen and past president Josef Hunley.

Information concerning the annual awards banquet was

Plans For Homecoming

On Friday, October 15, Antioch Community High School will begin its annual Homecoming festivities with a bonfire and pep rally. On Sat. morning the Homecoming Parade will be held, with the game following at 12:00 against the Warren Blue Devils. A dance will be held that evening following the game.

Details and plans for the festivities are still being made by the Student Council. Currently there is a Homecoming Theme Contest being sponsored by the State Bank of Antioch in conjunction with the Student Council. The person sending in the winning theme for the 1971 Homecoming will receive a \$50.00 series E Bond from the State Bank.

If you wish to enter, send your name and address along with your theme to:

Ant. Comm. High School
c/o Harrison Brown
1133 S. Main St.
Ant., Ill. 60002

NO PURCHASE IS NECESSARY!

Deadline for entries is Oct. 1, 1971.

Cheer the Sequoits on to victory and become involved in this year's Homecoming by picking the theme.

announced. It will be held at the Abbey at Lake Geneva, Fontana, Wisconsin on October 2. Cocktails will be served from 6-7 p.m. with a buffet dinner following at 7 p.m. Awards and entertainment will follow and then dancing. The cost per person will be \$7.50.

This banquet is in no way limited to only members of P M & L. Anyone interested in attending should contact Fred Holbert, % the State Bank of Antioch, 440 Lake St., Antioch. Reservations should be made as soon as possible.

As a very special feature, new "Jacqueline" awards in memory of a departed member, Jacqueline Horton, will be awarded at the banquet. Categories are best actor and actress, best supporting actor and actress, best juvenile actor or actress, best musical performer, best director, best set or setting design, best special effects, best costumes, and best show.

Ballots are being mailed to all P M & L members and Season X ticket holders.

SEASON 11 TICKET DRIVE

The P M & L Season 11 Ticket Drive is in full swing and there is just a little over two weeks remaining to take advantage of the low price of 4 plays for \$6.00 - 4 plays for less than the price of 3. Starting October 1 the price will be \$7.50 - a bargain even then.

Four plays will be chosen for the season to be presented in October, February, april, and June. The opening play on October 16, 22, 23, 29 and 30 will be The Price by Arthur Miller and directed by Gerald Pettera.

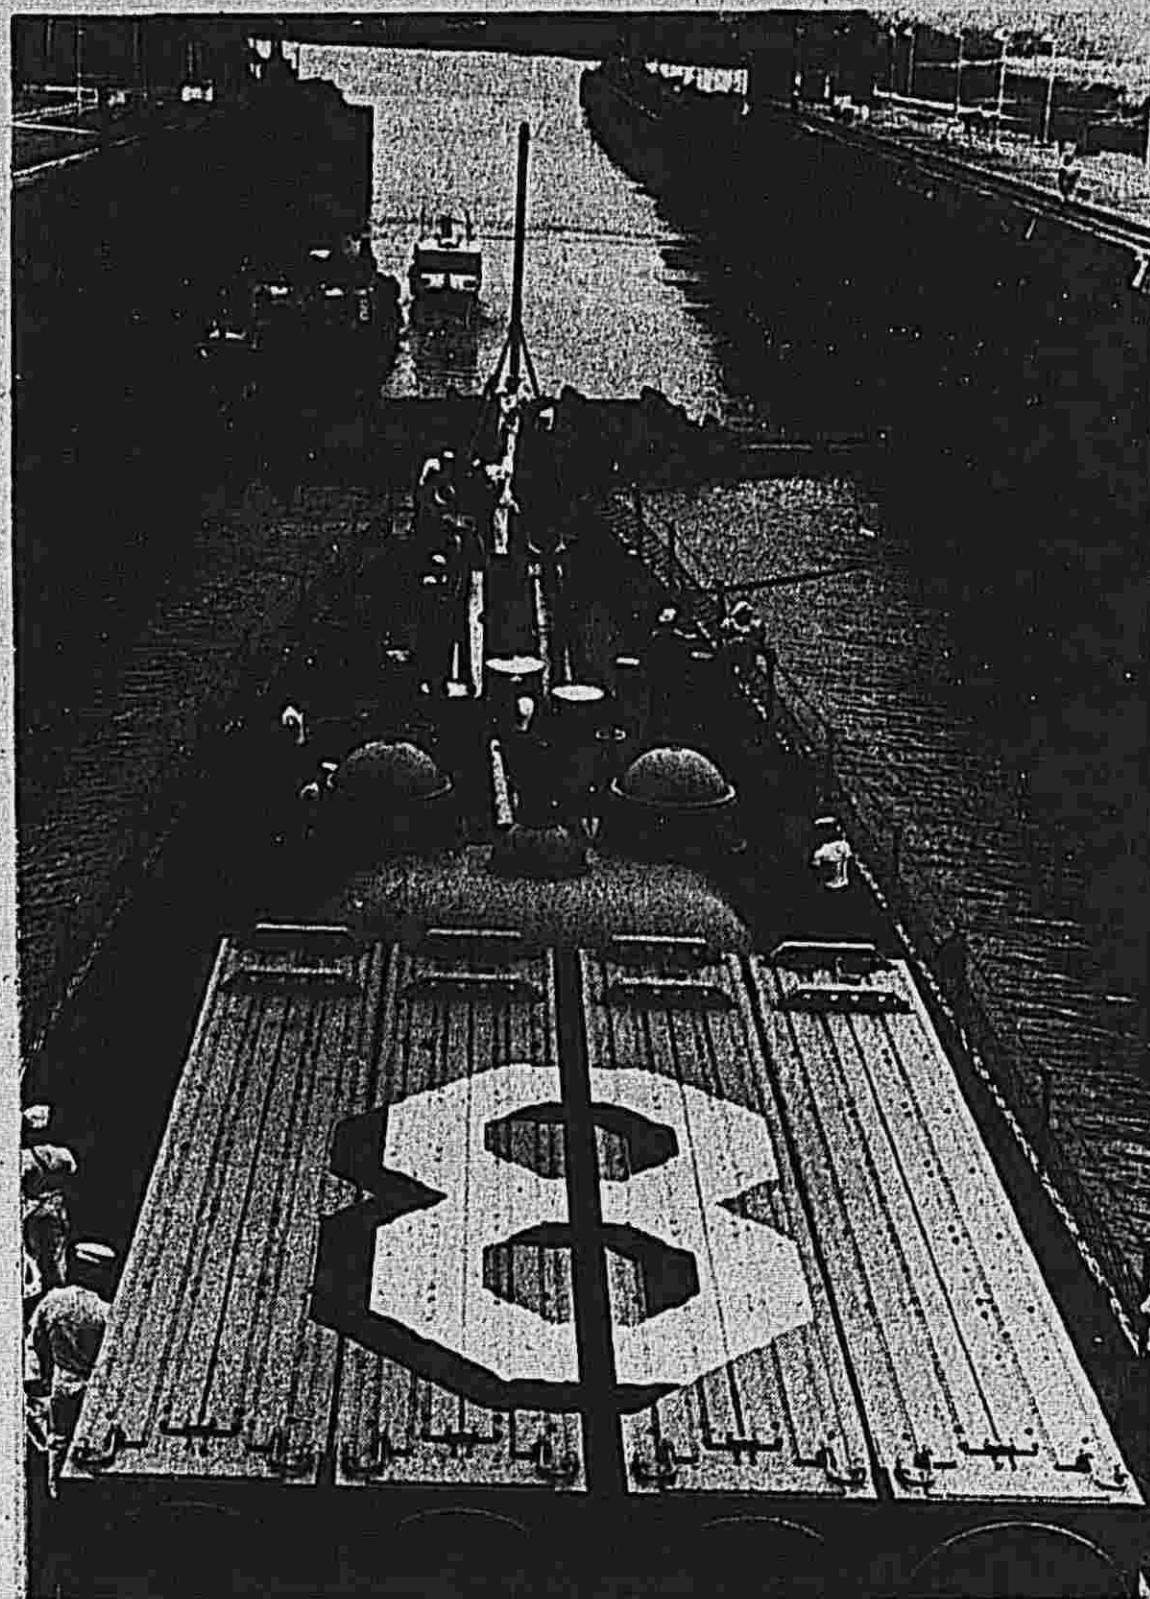

The other shows will be chosen from the following outstanding plays - Arsenic and Old Lace, Glass Menagerie, Wait Until Dark, a musical review, Lend An Ear, How to Succeed in Business Without Really Trying, or An Evening of One Acts. Plaza Suite which was a favorite choice is unavailable at this time for amateur theatre.

P M & L urges the people of the Antioch Community and surrounding area to support their theatre for only by increased subscribers can a community theatre organization such as P M & L survive.

P M & L is in this community to serve the community. P M & L urges you to support them to accomplish this purpose and insure yourself at least four evenings of theatre enjoyment this next season.

Anyone can order a season ticket by mailing his name, address, phone number, and check for \$6.00 per ticket to P M & L, Box 23, Antioch, Ill. 60002.

HANSEN ON UNITAS XII EXERCISES

The guided missile frigate USS MacDonough transits the Miraflores Locks of the Panama Canal and moves into the Pacific Ocean during Unitas XII operations.

Gunner's Mate Third Class William C. Hansen, 21, son of Mrs. Robert Hansen of 760 Main St., Antioch, is presently circling South America aboard the guided missile frigate USS MacDonough during Unitas XII exercises.

Unitas is an annual, combined naval exercise involving the United States and the maritime nations of South America. Participating navies conduct training in anti-submarine and anti-aircraft warfare in the Atlantic, Pacific and Caribbean.

Unitas XII operations began in early August when U.S. and Colombian naval forces departed San Juan, Puerto Rico for Cartagena, Colombia. A task group of four U.S. ships and three aircraft is circumnavigating South America in a counterclockwise direction, visiting ports in Colombia, Peru, Chile, Argentina, Brazil and Venezuela.

Hansen, who has an interest in history, was impressed by the Spanish colonial churches and fortress he toured at Cartagena, Colombia. He added, "And I'm particularly anxious to see the Inca ruins in Peru."

A 1968 graduate of Salem Central H.S. in Salem, Wisconsin, Hansen attended

Gunner's Mate Third Class William C. Hansen aboard the USS MacDonough as his ship transits the Panama Canal enroute to Pacific waters.

Wisconsin State University for a year before entering the Navy in February, 1970. He reported to his current assignment in May, 1971.

Hansen is responsible for maintenance and upkeep of the anti-submarine rocket launcher on his ship.

In addition to sightseeing in South America, the Antioch sailor has assisted his fellow navymen in distributing medical and athletic supplies to needy organizations under the Navy's Project Handclasp.

"I intend to lend a hand in these humanitarian projects wherever I can," said Hansen.

After completing his 25,000 mile voyage, Hansen will return to his homeport, Charleston, S.C. in Mid-December.

DUNFRUND GRADUATES

Navy Seaman Apprentice, Carl R. Dunfrund, son of Mr. and Mrs. Richard C. Dunfrund of Route 3, Antioch, was graduated from recruit training at the Naval Recruit Training Command, San Diego.

He is a 1971 graduate of Antioch Community High School.

If you had been a hostess in Queen Victoria's time, you might have ended a high fashion dinner in great style by serving each guest a single fresh peach in a nest of snowy white wool. The peach would have cost \$5.00, an exotic rarity. Today fresh, sunblushed peaches are for everybody. They're in good supply at market, and they taste particularly fine in a home-made Peach Cream Pie. It's a luscious, light as air affair, fresh and fragrant with the summer's delicious golden gems from Peachland U.S.A. This pie is easy to make ahead and chill in the refrigerator 'til serving time.

Peach Cream Pie

- | | |
|--------------------------------|--------------------------------|
| 1 cup diced peeled peaches | 3/4 teaspoon vanilla |
| 3/4 cup sugar, divided | 1/4 teaspoon almond extract |
| 1 tablespoon fresh lemon juice | 2 egg whites |
| 1 envelope unflavored gelatine | 1 cup heavy cream, whipped |
| 1/2 teaspoon salt | 1 baked 9-inch pastry shell |
| 1/2 cup milk | Additional peaches for garnish |

Sprinkle diced peaches with 2 tablespoons sugar and lemon juice; set aside. Reserve 4 tablespoons sugar. Mix remaining sugar, gelatine and salt in small saucepan. Stir in milk and cook over low heat, stirring constantly, until gelatine dissolves, about 5 minutes. Remove from heat; add vanilla and almond extract. Chill, stirring occasionally, until mixture is the consistency of unbeaten egg white. Beat egg whites until soft peaks form. Add reserved 4 tablespoons sugar gradually, continuing to beat until stiff. Drain peaches and add to gelatine mixture. Fold in beaten egg whites, then whipped cream; turn into baked pastry shell. Chill until set, several hours. Garnish with additional peaches, peeled and sliced, just before serving. Makes: 6 to 8 servings.

QUICK MEASURES

1 tablespoon cornstarch = 2 tablespoons flour or 4 teaspoons quick-cooking tapioca

1 teaspoon baking powder = 1/4 tsp. baking soda plus 1/2 cup buttermilk or sour milk (to replace 1/2 cup of liquid called for in recipe)

1 cup whole milk = 1/2 cup evaporated milk plus 1/2 cup water or 1 cup reconstituted nonfat dry milk plus 2 teaspoons butter or margarine

1 cup sour milk or buttermilk = 1 tablespoon lemon juice or vinegar plus sweet milk to make 1 cup

1 whole egg = 2 egg yolks in custards

1 square unsweetened chocolate = 3 tablespoons cocoa plus 1 tablespoon butter or margarine

1 tablespoon fresh chopped herbs = 1 teaspoon dried herbs

1 small fresh onion = 1 tablespoon instant minced onion, rehydrated

1 teaspoon dry mustard = 1 tablespoon prepared mustard

1 clove garlic = 1/8 teaspoon garlic powder

1 cup tomato juice = 1/2 cup tomato sauce plus 1/2 cup water

1 cup catsup or chili sauce = 1 cup tomato sauce plus 1/4 cup sugar and 2 tablespoons vinegar for use in cooked mixtures.

NEW TEST FOR LEAD POISONING

Governor Richard B. Ogilvie was commended recently for the State's new testing program for lead poisoning in children. John P. Greene, president of the Illinois Assoc. for the Mentally Retarded (IAMR) stated, "lead poisoning is one of the major preventable causes of mental retardation in children; however, through early detection and treatment, brain damage can be prevented and the child can be saved from a life-long handicap."

Greene pointed out that the highest incidence of lead poisoning occurs in impoverished urban areas where children chew on chips of paint, plaster and putty that have a high lead content.

The new state testing program being carried out by the Illinois Department of Public Health provides a method of early detection so that a child can be "de-lead" before brain damage occurs. Greene said, "since we have the knowledge and technology to prevent this cause of retardation, it would be tragic if we do not use them. The testing program will significantly reduce brain damage by lead poisoning in this state just as our mandatory immunization program reduces the incidence of retardation from complications of common childhood diseases."

"What we also need," said Greene, "are more stringent laws prohibiting a high lead content in paint, putty and plaster and requiring that landlords of tenement dwellings redecorate the interiors with such materials."

The IAMR is a voluntary, statewide organization working to improve care and services for Illinois' retarded citizens.

Some mushrooms live a few days, others only a few hours. Their colors and shapes are varied. They may be white, red, yellow, lavender, silvery, blue, pink, or orange, but never green. The most familiar kind look like umbrellas. Others resemble golf balls, funnels, bells, stars, a nest of bird's eggs, a honeycomb, or a piece of coral.

Lunch Policy

ANTIOCH COMMUNITY HIGH SCHOOL today announced a free lunch policy for high school children unable to pay the full price.

ALSO

Sister Virginia, BVM today announced a free and reduced price lunch policy for ST. PETER SCHOOL Children unable to pay the full price.

Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Family Size	Annual Gross Income	Monthly Gross Income
1	\$2,040.00	\$170.00
2	2,670.00	223.00
3	3,310.00	276.00
4	3,940.00	329.00
5	4,530.00	378.00
6	5,110.00	426.00
7	5,640.00	470.00
8	6,170.00	515.00
9	6,650.00	555.00
10	7,130.00	595.00
11	7,600.00	634.00
12	8,080.00	674.00
Each additional family member	480.00	40.00

Families falling within these scales or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price lunches for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the superintendents office in the school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect the family's ability to pay for school lunches.

EMERGENCY EMPLOYMENT ACT

Ronald R. Coles, Chairman of the Lake County Board of Supervisors announced today that funds in the amount of \$257,200.00 were received under the Emergency Employment Act of 1971 and that this sum will result in the employment of some 42 persons throughout Lake County which is the sole governmental body acting as Agent under the act.

The application dated September 10, 1971, revealed that the local share for the public service job program will be \$28,578 and that the total Federal allocation for the program in Lake County is \$257,200. The funding year for this program which will provide transitional jobs in the public sector is August 23, 1971, thru August 22, 1972.

The application is on file and may be examined at the office of the Program Director, Room 406, County Building, Waukegan, Ill. Comments may be made either directly to Mr. William B. Lewis, Regional Manpower Administrator, U.S.

Department of Labor, Federal Building, Room 2402, 219 S. Dearborn St., Chicago, Ill. 60604, or to the Program Agent, not later than September 13, 1971, or if notice of intent to file has been submitted by this date, completed comments must be submitted by September 20, 1971. Comments should relate to compliance with the Act and regulations.

The Limerick Lounge took 1st place in the Friday night 16" softball tournament. The team beat Fox Lake 4 - 3 with a homer in the championship game that was held at Golf View Field.

(l to r) Receiving the trophy are sponsors Pat Quilty and Jack Molloy and team managers, Pat Ring and Tom Furlan.

Frank Mysancki was the winning pitcher for the Limerick Lounge. James O'Neal hit the homerun for the winning run.

A New Answer to America's Cleanup Problem

Community expenditures for trash collection and disposal are exceeded only by expenditures for schools and roads, and are increasing rapidly. Two major reasons for this explosion of garbage are the growth of our population and the development of convenience products which use comparatively elaborate packaging for comparatively small amounts of food and other products.

Americans have become accustomed to buying the spray can instead of the bottle, which held more liquid product for the same amount of packaging, and to the convenient box of frozen mashed potatoes instead of the larger paper bag filled with spuds. Fancy packaging is nice, and we all love it, but it adds to the growing problem of waste disposal. The answer?

City planners, food service experts, home owners and factory managers are turning to a new system that is based on the use of large waterproof paper sacks to hold garbage. By replacing the noisy, smelly, heavy and unsanitary garbage can, such paper sacks can increase garbage pickup efficiency by 20% or more.

Thanks to the "biodegradability" of paper bags — the fact that they are biologically "degraded" or broken down chemically by soil bacteria, garbage can be efficiently disposed of

in a way that does not contribute to air pollution. Instead of burning the bags, together with the garbage, the whole package can be buried under the earth. In a matter of months, natural processes then convert the whole package back to the soil — bag and all. If bags were made of plastic or some other material that is not biodegradable, conversion might be delayed years, possibly decades!

The success of the new pickup and disposal system depends on the use of strong kraft paper with built-in wet strength, and a simple metal frame to hold the bag. In a test conducted by the California Bureau of Vector Control the housefly population was reduced by 90% by substituting the paper refuse sack system for the old garbage can system in a neighborhood with weekly pickup.

Antique Car Show

The gaslight era, the roaring 20's, the flirty 30's will be brought back to life at the third annual Mid-America Antique Car show on the weekend of October 1-2-3 in the Arlington Park (race track) Convention-Exposition Center.

The show, in addition to priceless antique motorcars dating back to the turn of the century, will feature displays by 100 antique dealers offering for sale china, glass, furniture, coins, toys and paintings. Each evening a fashion show of period costumes will be narrated by WGN radio personalities Roy Leonard and Sig Sakowicz.

New to the show this year will be hot rods and customs and antique motorcycles. Horse drawn vehicles also will be a new attraction affording the public the opportunity to see, with the outdoor exhibit of ancient airplanes, every type of conveyance possible.

Certain to be of interest to all will be an outdoor flea market offering rare car parts for sale or swap.

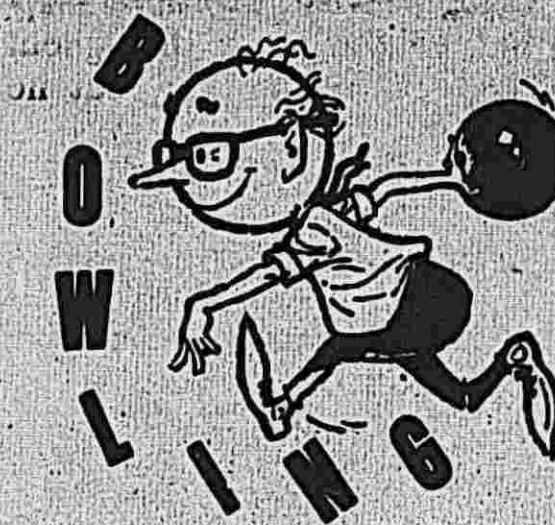

The show will be open to the public from 3 p.m. to 10 p.m. on Friday; 10 a.m. to 10 p.m. on Saturday and 10 a.m. to 7 p.m. on Sunday. Admission for adults will be \$2.50 and children under 12 will be admitted for 50 cents. One admission entitles visitors to enjoy the indoor and outdoor exhibitions as well as the fashion shows.

LAST DAY FOR WOMEN'S GOLF LEAGUE

The State Bank Women's Golf League had its last day of golf on September 7th. The winning team for the summer was Team no. 2 with 57 points. Members of the winning team are Pearl Fowles, Ruth Pickus, Eugene Nissen, Sally Hawkins and Phyllis Kapischke. Team no. 8 was in second place with 45½ points. Their members are Jean Daniels, Sara Fields, Jan Burdick, Irene Hahn and Karen Wilton.

In third place was team no. 3 with 44 points. Members of team no. 3 are Beverly Dodd, Carol Andersen, Gen Osmond, Marge Solar, and Anne St. Pierre.

Plans are being made for a dinner to be held in October for all ladies and their husbands. The place and date will be announced soon.

MONDAY NIGHT TAVERN SEPTEMBER 13, 1971

Fred Saffo 215-571 paced Sam's Old Hickory Inn to three wins over Bruce and Kay's Tavern. John Klecki 159-462 was high for Bruce and Kay's. Old Timer Les Palmer 189-513, rolling for The Pub Lounge led his team to three winning games from Lemar's Tavern. Tom Griffin 204-498 on Red Arrow.

The Arbor Lounge won a pair from the Red Arrow Tavern. Joe Elfanger 191-455 for the Arbor and Bob Hughes 208-498 for the Red Arrow.

Rolling 201-546 Dick Cerk paced Kempf's Resort to three nice wins over Paul Heath 204-496 and The Village Inn Five.

The Mighty Angel just out of the hospital, sat on the side lines and watched Jim Page roll high series for the evening on games of 205-190-180-575 and lead the Angels to the league high series 869-855-872-2596. The Angels dropped two games to the A & J Bar of Camp Lake. Gene Kannin 203-529 for A & J.

League President Harry Pavel 189-541 paced Open Door Tavern to a pair of wins from The Limerick Lounge. Wally Ring rolled a rousing 191-516 for the losers.

LITTLE LEAGUE OFFICERS ELECTED

The Antioch Little League held an election of officers for the coming year. They are:

President, Bob Caldwell; Vice President-Little League, Norm Thibedeau; Vice president-Babe Ruth-Dick Witt; Secretary-Bernie Gutowski; Treasurer-Jack Fields.

New managers named for the Pirates was Mr. Arion. The Yankees will have Jack Bodin. And Bill Nauman will manage the Cardinals.

The Little League banquet will be held September 20 at the Bristol Oaks Country Club. Glen Beckert of the Chicago Cubs will be the guest speaker.

OUT DERN SPOT!

Ball point pen marks on a white blouse, a shirt or a favorite sweater? Fear not — the spot comes out easily. Simply spray the portion that's got the ink marks with hair spray before

laundering. Lo and behold, the dern spot is gone. (Repeat the process if it hasn't disappeared completely.) Watercolor and Marko spots are no worry at all. The ink is water soluble so just a trip through the washer is all that's needed to make the garment clean.

WAUK. SEPT. 3, 1971—Tom Edwards of Zion lost and regained the lead for the 25 lap feature win Friday night in a variety program that featured the hobby stock car drivers, the All American Hell Drivers and a fireworks display.

Edwards gained the lead for good in the 14th lap after Wes Eckert of Greenfield had passed him two laps earlier. Chuck Chadwick, returning to the hobby class for this one special race, then took second but could not catch Edwards at the checkered.

Tom Reuss of Wildwood was the night's fastest qualifier at :16:18, a near record, and then he and Eckert staged a hot race for third money in the final ten laps with Eckert finishing third, Chuck Bostick of Waukegan finished fifth followed by Cheryl Arndt of Milwaukee and Mike Dungen of Zion.

Rip Tucker of Park City led the feature for one lap before Bob Klemm of Gurnee took the lead. Klemm held the lead until the 10th lap when he lost a wheel.

Action started earlier as George Dukas of North Chicago had his throttle jam in time trials and he hit the first turn wall at full speed.

Don Ellgass of Ingleside won the 12 lap semi-feature race while heat race wins went to Tom Hickie of Waukegan, Tucker and Edwards. Chadwick won the six lap dash.

Hobby stock racing will again take the spotlight as these drivers will race on Sunday afternoons at 2 p.m. starting September 12. The special added attraction that day will be a bicycle race for children under 12. All they have to do is appear with their bicycle at the track to race to be admitted free.

WAUK. SEPT. 4, 1971—All good things must come to an end and drivers found out at the Waukegan Speedway Saturday night as a huge rainstorm hit the track at 8 p.m. after nearly 70 cars had qualified. It was the track's fourth rainout of the 1971 season and came after 24 straight nights of races.

A very competitive field of late models were on hand for the 50 lap Labor Day feature race which will carry double championship points. Over 40 hobby cars were also entered prompting promoter Gordon Sillino to reschedule the 50 lap late model and 25 lap hobby features for next Saturday night, September 11th.

The season championship races will be run on Saturday night September 25th. There will be Sunday afternoon racing for the hobby stocks.

WAUK. SEPT 5, 1971—Sunday night Carl Major of Chicago walked home with the biggest single pay-off in track history at the Waukegan Speedway as he won both legs of the TWIN 50 features at the track.

Major led all the way in the first race picking up a \$250.00 bonus of lap prizes in winning that race, but he required 47 laps to gain the lead in the second race which was among the best and closest in the 23 year history of the Speedway.

Despite rain until 5 p.m. the Speedway was ready as the largest field of the year entered

and one of the largest crowds of the year braved the threatening weather. Lightning snapped to the south throughout the first 50 lap race, but no rain fell.

The first leg of the twin 50's saw the fastest qualifier start on the poles. Major turned a :14.35 to start in front and he was never seriously challenged as he streaked home the winner in the first 50 lap race. Bob May of Gurnee, who beat Major in the trophy dash, blew his new engine in the 2nd lap of the feature and was out for the evening.

Tom Jones of Northbrook flew through the pack in the first race after starting 12th to gain second spot from Jim Cossman of Waukegan in the 32nd lap, but he could not gain on Major at the finish. Elmer Musgrave of Mundelein got by Cossman in the 44th lap for third and finished there with Cossman fourth. Bob Anzinger of McHenry was 5th followed by Ray Young of Dolton, Al Gutche of Union Grove, Bob Roper of Chicago, Dave Evans of Mundelein and Herb Artelt of Wildwood.

Ed Hoffman of Niles, who has already won 27 features locally this year, fell a lap behind the leaders in the first race and then hit the backstretch wall in the 33rd lap and dropped out.

The top 14 finishers from the first race were inverted for the second leg of the twin 50 with Jacques Terrault gaining the pole spot. Actually Chuck Chadwick of Lake Zurich was 14th in the first race, but a broken drive shaft and subsequent differential fire eliminated the car from the second race.

The second feature was filled out to 18 cars with the top five cars from the 18 car semi-feature starting in the rear of the feature. Vern Browne of Wauconda won that accident filled event as he passed Lee Schuler of Lockport for the lead at the half-way point. Schuler finished second and qualified for the second main as did Gary Zobel of Mundelein, Bob Delaney of Keeneyville and Norm Zenko of Highland Park.

The second 50 lap race saw Terrault take the early lead before a wild NINE car accident in the third lap which eliminated Cossman and Zobel. In the first Lap Major, Browne and Jones all spun with Jones ending up in an infield mud puddle.

As Jones pulled back on the track, he brought mud and water with him and when the leading cars hit that in the third lap, the result was a tremendous pile-up in the first turn. Young received a flat tire

in the fracas, with Gutche, Bob Dotter of Chicago, Cossman, Major, Roper, Musgrave, Zenko and Zobel all involved.

Terrault held the lead through the 5th lap before Young shot in front. Major passed Anzinger for 2nd in the 13th lap, but lap after lap Jones tried in vain to pass him while both gained on the leader. In the 38th lap, when Young was slowed by lapped cars, Major and Jones gained on the leader and for the final 10 laps the three top cars nudged bumpers in every lap.

At the start-finish line at the end of 48 laps Major passed Young as the crowd went wild. Jones followed through and then rapped on Major's bumper until the checkered. At the white flag, Major slowed for a split second as Artelt and Anzinger piled up in the first turn and Jones made one last try for the lead....which he never got.

WAUK. Ill. 9/11/71—Bob May of Gurnee both won and lost at the Waukegan Speedway Saturday night...he iced the point title even though he crashed while leading the 50 lap feature race. Tom Jones of Northbrook took advantage of May's bad luck and came home the winner in the main event.

Just two more Saturdays remain on the Waukegan schedule and May won enough points Saturday to insure the championship. His nearest competition, Jim Cossman of Waukegan and Carl Major of Chicago, also had trouble in the 50 lap race and none of the three were among the leaders at the finish.

There were a number of accidents throughout the night as another large field of cars were on hand. Probably the most spectacular accident came in the first lap of the semi-feature event for the late models when Tom Credit of Melrose Park, Ron Bohms of Elgin and Dick Dornbusch of Lake Bluff collided.

Bohm's Chevelle hit the wall and started to flip over, but Credit's Ford backed into the wall with Dornbusch's Dodge diving under Credit's front bumper. Bohm's then rolled on over hitting Credit's car and the wall while another car piled into Dornbusch shoving him underneath Credit's car.

These three drivers haven't had too much to cheer about all season, but they will have a picture for their scrapbook as all three insisted the photographer take a picture of the remains before any tow trucks or safety crew touched the cars.

Lou Clavey of Deerfield led

just one lap in the feature before Elmer Musgrave of Mundelein took top spot. After two periods of caution Jacques Terrault of Lake Villa passed Musgrave for the lead on the 20th lap.

Then All Gutche of Kenosha tasted the lead until the 29th lap when May gained the lead after another period of caution. May was pulling away from second place Jones in the 32nd lap when Musgrave lost an engine and dumped oil in the first turn.

May hit a lapped car and damaged his steering while Jones slipped past Gutche and Cossman also got in the oil and ended up in the backstretch wall and out of the race. May later returned to the race to finish 9th. Major had run out of gas in the earlier laps and restarted to finish 8th.

Bob Anzinger of McHenry played a waiting game to this point and the result was an easy second place finish. Terrault took third after a spinout while rookie Ralph Cabrera of Chicago had his best night ever finishing 4th.

Tom Musgrave of Mundelein, who out-qualified his dad earlier, also had his best finish as he was 5th in the main in front of Jim Goettsche of Glenview and Roy Acuff of Chicago.

Tom Reuss of Wildwood took the hobby feature lead in the 10th lap and won that double point race contested at 25laps. Tom Edwards of Zion finished second and George Dukas of North Chicago was third.

The second heat race for the hobby cars started 17 cars with only 6 finishing after four restarts. Chuck Bostick of Wauk. avoided the accidents for the win there.

Racing next weekend at the Speedway will see the late models and hobby stocks in action on Saturday night and the hobby cars will return Sunday afternoon. There will be bicycle races for kids under 12 on Sunday with the prizes being sponsored by Scott's Schwinn Bicycle Shop of 1921 Grand Ave. in Wauk. All kids under 12 are admitted free to these races if they ride a bicycle to the ticket window.

9/12/71—Tom Reuss of Wildwood all but wrapped up the hobby stock point title at the Waukegan Speedway Sunday afternoon as he set fast time and then took the lead in the spirited hobby stock fea-

ture on the 20th lap for his 9th feature win of the year.

Reuss's win wasn't an easy one he ran a number of laps side-by-side with Bob Klemm of Gurnee who finished second. Reuss led by inches only from the 4th through the 8th lap before Klemm was ahead at the finish line and these two were never separated by more than six feet until the 23rd lap.

Another Sunday afternoon of bicycle racing and hobby stock racing is slated next week as 40 hobby stocks turned out Sunday and over 50 kids under 12 rode in five special bicycle races. Debbie Chadwick, daughter of race driver Chuck Chadwick of Lake Zurich, was the winner of the Schwinn bicycle given away by Jim Hansen of Scott's Schwinn Bicycle Shop in Waukegan.

The special bicycle races were won by Kevin King of Park City, Don Hendee of Park City, Roger Rasmussen of Waukegan, Mary Kay Larson of North Chicago and Becky Hacke of Waukegan. The boys raced two laps on the quarter mile track while the girls just went one.

The heat race events were relatively uneventful; however the semi-feature and feature races had more than their share of the action. Burlon Mauldin of Park City and LeRoy Larson of Oak Creek were fighting for the lead in the semi-feature when they collided with Larson going up on top of the homestretch wall for a wild ride.

J.P. Gatti of Chicago later passed Mauldin to win that event with both cars moving into the feature race. Gatti used just his right hand to win as he was rushed to St. Therese hospital after nearly severing a finger in the pits while unloading the race car.

The feature was plenty scary too as nearly half the field piled up at the sight of the green flag and a restart was required. The feature again was stopped in the 3rd lap when Cheryl Arndt of Milwaukee lost a wheel. At that time several cars piled up at the flagstand with Klemm going up on top of the wall and nearly upsetting.

Fortunately only the clutch linkage was seriously damaged and he was able to continue for second money. Joe Gresk of Franklin took third money with Al Gutche of Kenosha, from the late model ranks, finishing 4th.

THE RIFLES of L.C.

Even though the Lake County Rifles were gifted with 115 yds. in penalty yardage, they couldn't muster up enough offense to beat the West Allis Spartans, and Saturday left the Spartans the victors 20-7 in West Allis.

The powerful Spartan backfield combination of Ron Ternouth and Mike Heckel, who averaged 3.9 and 4.5 yards per carry in the contest proved to be a consistent attack in the Spartan march. Two of Ternouth's 13 runs were for touchdowns.

Spartan quarterback Al Charnish exhibited a great deal of finesse in moving his ballclub. He, himself, scored one touchdown early in the fourth period on a 13 yd. run, had 5 completions out of 9 attempts for 62 yds, and rushed for a 9.3 average. He also utilized the potential strength of his backfield very well.

The Rifle team just didn't "work as a unit" head coach Gerry Sandberg said after the game. "We're going to work four nights this week to prepare for Madison, but there's not much more I can say about the game tonight."

The Rifles began using the I-formation this week-end in a series of test plays. One such play early in the second quarter found Dave Shelbourne hitting Steve Pelot in the air for a nine yd. gain which brought the ball down to the West Allis 6 yard line.

The following plays found the Rifles unable to score, so on fourth down, Frank Gelling

Pictured are l to r John Terens and Johnny Reimer. Johnny is receiving the second \$50 and trophy for two 50 lap heats. Winning both the heats brought another \$100.00 to Johnnies wins.

attempted a 30 yd field goal, which was no good. Not until the third quarter was there another sustained Rifle drive.

The Rifles moved the ball from their own 30 yd. line to the West Allis 12 on a series of running plays mainly using Ron Jurewicz. However, the Rifles again were unable to get into the West Allis end zone and had to turn the ball over to the Spartans on the 12.

Mid-way through the fourth quarter, Johnny Dobbs took over the quarterbacking chores for the Rifles and began moving the ball from the Lake County 33yd. line, and over 3 minutes later, into the West Allis end zone at 3:45 for a touchdown. Dobbs, himself

tallied the only touchdown for the Rifles coming from the one on a keeper.

Next week, the Rifles take on the Madison Mustangs at Madison at 7:30.

COACH ROY NELSON, head mentor of the ACHS football team, faces, in his own words, "a season of rebuilding." Twenty-nine boys currently make up the varsity squad, a relatively thin cardinal and grey line when compared to other years. Regarding the Sequoit's lack of depth, Nelson believes that the squad's good attitude and outstanding desire can go a long way to offset the problem. The team can have "a winning season," the coach commented, "if we don't get bumped."

Of prime importance to the building of a winning team will be the development of a new backfield. Many eyes are focused on the progress of a young QB with no experience, Chuck Chapman, a 170 lb. junior. Candidates for other backfield slots include outstanding returning lettermen Bill Gaa and Greg Crutchfield at HB, and Ken Sterbenz and Jim Mihovolich at FB. Power in the line can be expected from experienced lettermen Bob Huebner and Dave Donica at guard and tackle Bob Kennedy.

A possible starting lineup for the 1971 Sequoits was listed by coach Nelson: on the line, left end-John Coia, left

tackle-Bob Kennedy, left guard-Dave Donica, at center Tim Staples, on the right side of the line-Bob Huebner at right guard, Ken Tell-right tackle, and Jim Revell at right end. In the backfield, QB-Chuck Chapman, HB-Greg Crutchfield, FB-Ken Sterbenz and Flanker back-Reed Ano.

Others who will help during the season are QB's Brian Zale and Fred Popp, HB's Bill Gaa, Tom Phaeler and Keith Larson. At FB Joe Mehovolich and Dave Pironen and at Flanker Back Jim Mehovolich.

Backing up the line will be Steve Dziki and Lee Bolton at Ends, Glen Amundsen and Ed Oilschlager at tackle, Bill Weber and Doug Banwart at guards and Frank Benes and Steve Gibson at center.

Opening game for the Sequoits will be Saturday, Sept. 18, at North Chicago. Kick off is scheduled for 12 noon.

FOOTBALL PLAYERS PRAYER

MAY our actions never be out of bounds. Keep us, like our field goal attempts, between the uprights.

MAY our fumbles be few, our recoveries quick. When we score a touchdown, remind us of what we owe our tackles.

WHEN our pass is intercepted, let us try to improve our aim. Teach us to prize an honest defeat above a dishonest victory.

HELP us so to play the game that on Your scoreboard, we may be included in the Everlasting Hall of Fame!

REPUBLICAN CLUB GOLF OUTING

A "first time ever" event will take place on Wednesday September 29th when the Antioch Township Republican Club will bestow honors on nine judges of the Nineteenth Judicial Circuit of Lake and McHenry Counties.

The awards for Judicial Excellence will be made on the evening of the ATRC annual Golf Outing and Awards Night Dinner at the Antioch Country Club, Route 59 and Grass Lake Road.

Opening the eventful evening will be the presentation of the coveted ATRC ELLAphant Award for Outstanding Republicanism to two elected County officials who have made quite a name for themselves in their devotion to the principles of the Republican Party, and for their enviable record in serving the public of Lake County.

Frosting on the cake will be the award of the ATRC "Mr. Republican, Lake County" trophy to a most deserving political leader. The day will begin at 9:00 a.m. when the first contingent of avid golfers arrives and begins to flog a small white pellet around the greensward, and will continue all day long.

Other activities in addition

to golfing will be swimming in the pool, card games and other club house activities, then a sumptuous dinner at 7:00 p.m. following 6:00 p.m. cocktails.

The Honorable Rober Sabonjian, Mayor of Waukegan will be master of ceremonies for the evening, and Sheriff Orville "Pat" Clavey will be the special guest.

ATRC President Elroy Anderson will give out a tall stack of prizes to lucky golfers and non-golfers after the honors awards have been made.

A special treat for the evening will be some "cool" singing by vocalist Lloyd Pederson, top soloist on the Wayne King Orchestra. Pederson is an Antioch boy who made it.

Awards Chairman Harry Stern announced that he will release the names of the twelve honors winners this week.

Party Chairman Herb Horton urges those who want powered golf carts to make reservations for them with the Antioch Country Club, 395-3000 at once.

For tickets to the event call Ticket Chairmen Ray Schreiber, 395-5461 or Elmer Eberman 395-0607.
